Academic Advisement

FROM: Dr. Thomas D. Burns  
Associate Provost for Academic Administration

DATE: July 6, 2010

SUBJ: **Notification of Minor Curricular Change(s)**

The following adjustment has been identified as minor curricular changes and has been approved by the appropriate School Deans.

<b>Course</b>	<b><u>Curricular Change: Pre-Requisite</u></b>
PHYS 230H – General Physics Seminar	Current Prereq: Coreq: concurrent registration in PHYS 231 required and either good standing in the Honors College or a 3.35 GPA or permission of instructor.
	<b>REVISED Prereq: Coreq: concurrent registration in PHYS 231 or 232 required and either good standing in the Honors College or a 3.35 GPA or permission of instructor.</b>
<b>RATIONALE:</b> Change provides more flexibility for students interested in completing the Honors seminar. <b>Approval effective Spring 2011 registration (Early registration scheduled for November 2010 would have this pre-requisite in place.)</b>
