SUBJ: **Notification of Distance Learning Conversion(s) for the Department of Industry and Technology**

The following adjustment has been identified as a distance learning conversion and has been approved by the appropriate University Curriculum Committee(s).

Course	Curricular Change
ITEC 301 – Technology and Its Impact on Humans	The Industry and Technology Department has adapted the existing course ITEC 301 for a distance learning format.
<i>NOTE: Courses that are offered in fulfillment of the Perspectives General Education requirement ("P" courses) must have a significant oral communication component. The Undergraduate Course and Program Review Committee (UCPRC) provisionally approved ITEC 301 for a year 08-09. The Department has presented that the oral component will be met by using Live Classroom Tool in Blackboard. Final Approval Effective, Winter/Spring 2010</i>
