

Seminar Presentation Evaluation

Presenter's Name: _____

Guidelines: As there are anonymous, you should honestly evaluate each presentation according to the following guidelines. Submit it to me by the start of class in the session following the presentation.

Criteria:

Thematization: How well did the presenter thematize the readings and develop an argument about them or highlight interesting aspects of the readings?

Developed clear argument 5 4 3 2 1 **No thematization**

Use of Evidence: How well did the presenter use selections from the readings to support their claims about the works?

Good use of readings 5 4 3 2 1 **Only quotes**

Clarity of Ideas: Were the presenter's ideas presented clearly and in an understandable manner?

Very clear/understandable 5 4 3 2 1 **Very unclear**

Sparked Interest? Did the presentation give you ideas for discussion and make you interested in participating in the discussion? Did they inspire a good discussion on the readings? Did a good conversation come about as a result of the presentation?

Very inspiring 5 4 3 2 1 **Not interesting at all**

Style/Manner of Presentation: How well did the presenter do in speaking, engaging the audience, and in the other "intangibles"?

Very well done 5 4 3 2 1 **Poorly done**

Overall: What grade would you give this presentation?

A A- B+ B B- C+ C C-
