The mission of the Millersville University President's Commission on Gender and Sexual Diversity (GSD) is to foster a university climate that promotes equity, inclusion, and affirmation for all people representative within the spectrum of gender and sexual expression (e.g., are or are perceived to be lesbian, gay, bi-sexual, transgender/transsexual, questioning/queer, intersex, allies/androgynous/asexual (LGBTQIA), etc.) at Millersville University. The Commission actively supports policies, practices, and programs that pursue this goal for students, staff, faculty, administrators, and the general public with respect to sexual orientation, gender identity, and gender expression.

Safe Zone Program
This program trains university staff, faculty, and administrators to provide support and resources for MU lesbian, gay, bisexual, transgender/transsexual, queer/questioning, intersex, allies/androgynous/asexual (LGBTQIA) students and employees. The Safe Zone program has been developed to provide easily recognizable staff, administrators and faculty who will be available to students or colleagues for support, mentoring, and information regarding helpful resources related to LGBTQIA issues.
