Faculty Policy
FACULTY ELIGIBILITY for PASSHE FACULTY PROFESSIONAL
DEVELOPMENT COUNCIL (FPDC) GRANTS

Approved: December 8, 2006
Executive Cabinet

This policy is in response to the following statement in PASSHE Guidelines for the “Faculty Professional Development Council (FPDC) Annual Grant Program”: “Eligibility of part-time or temporary faculty to participate in these grant programs is at the discretion of the university.”

At Millersville University, all regular faculty (full-time and part-time) are eligible to participate in the FPDC grant programs.

However, consistent with Millersville University’s internal Faculty Grants Committee guidelines, regular part-time (RPT) faculty are not eligible for release time.
