The Committee on Promotion and Tenure is a contract committee, mandated by the CBA between the Pennsylvania State System of Higher Education and the Association of Pennsylvania State College and University Faculties (APSCUF).

Membership

The Committee on Promotion and Tenure consists of tenured faculty members as follows:

1. Nine faculty members, elected for two-year terms, two from each academic unit (Education, Humanities, Social Sciences, Science & Mathematics) and one from the non-school faculty. Five members, one from each academic unit and the non-school, are elected to serve terms beginning in even-numbered years and four members, one from each academic unit, are elected in odd-numbered years.
2. Five alternates, elected for a two-year term, to fill a vacancy which may arise prior to the expiration of a term. Three alternates are elected to serve terms beginning in odd-numbered years and two alternates are elected in even-numbered years.
3. No member may serve more than two consecutive terms.
4. No two members of the committee (including alternates) may be from the same academic department.
5. No committee member shall serve on his/her departmental promotion and tenure committee.
6. The chairperson is selected by the committee from its members for a one-year term.

The election of the committee is conducted in the spring of each year at the same time

and place as the annual APSCUF-MU election. The election is a separate election with all members of the bargaining unit eligible to vote.

The President of APSCUF-MU shall be charged with announcing the call for nominees. Nominations are made by submission of names to the President of APSCUF-MU. The President of APSCUF-MU lists the names and circulates the slate of nominees to all regular members of the bargaining unit at least one week before the election. Prior to the end of the spring semester and subsequent to the election of the committee members for the next academic year, the newly constituted committee is convened by the present chairperson for the purpose of electing a chairperson for the next year.

Election to the committee is by plurality vote. Should an ineligible member receive a plurality, that name is stricken and the eligible candidate with the next highest plurality is elected. The ballots are counted by the designees of the President of APSCUF-MU. The terms of office begin at the beginning of each academic year.
