

Jessica Stoltzfus Grady, Ph.D.

Department of Psychology
Millersville University
111 Susan P. Luek Hall
Millersville, PA 17551
jessica.grady@millersville.edu

Education

- 2011 Ph.D., Life-Span Developmental Psychology, West Virginia University
2008 M.S., Life-Span Developmental Psychology, West Virginia University
2006 B.S., Psychology, Lebanon Valley College, Summa Cum Laude

Academic Positions

- 2023-present Associate Professor, Department of Psychology, Millersville University
2019-2023 Associate Professor, Department of Psychology, University of the Pacific
2019-2022 Faculty Fellow of Assessment, Office of Strategy & Educational Effectiveness,
University of the Pacific
2013-2019 Assistant Professor, Department of Psychology, University of the Pacific
2011-2013 Lecturer, Department of Psychology & Department of Child and Adolescent
Development, San Jose State University
2012-2013 Lecturer, Department of Psychology, University of California, Davis
2011-2013 Researcher, Volunteer, Center for Mind and Brain, University of California, Davis

- Huang, C.*, & **Grady, J. S.** *Emotion displays in race-specific animated film media and viewer perceptions of these emotions*. Manuscript in preparation.
- Root, A. E., **Grady, J. S.**, & Rasmussen, K. E. *Contributions of child temperament and age to parental emotion socialization from infancy to middle childhood*. Manuscript in preparation.

Conference Presentations

**denotes undergraduate student co-author **denotes graduate student co-author*

- Tineo, M.* , Hernandez-Mendez, M.* , & **Grady, J. S.** (2023, April). “The dog is feliz”: Code-switching in emotion talk with toddlers. Poster session presented at the annual meeting of the Society for Affective Sciences, Long Beach, CA.
- Grady, J. S.** (2023, April). The effect of gentle encouragement to approach novelty on toddler and parent in-the-moment regulation: A proposed study. Poster session presented at the annual meeting of the Society for Affective Sciences, Long Beach, CA.
- Huang, C.* , & **Grady, J. S.** (2022, July). Viewer perceptions and relatability to emotion displays by racially diverse animated film media characters. Poster session presented at the biannual meeting of the International Society for Research on Emotion, Los Angeles, CA.
- Brock, K.** , Maloney, M., & **Grady, J. S.** (2021, April). Unmute yourself: An evaluation of active engagement in an online classroom. Poster session presented at the virtual annual meeting of the Western Psychological Association.
- Grady, J. S.**, Camargo, J.* , Barajas, S.* , & Patel, K.* (2021, March). Shy, happy, calm, and controlled: Temperament correlates of fewer internalizing behaviors in shy toddlers. Poster session presented at the virtual biennial meeting of the Society for Research in Child Development.
- Grady, J. S.**, Rasmussen, K. E., & Root, A. E. (2021, March). Contributions of child temperament and age to parental emotion socialization from infancy to middle childhood. Poster session presented at the virtual biennial meeting of the Society for Research in Child Development.
- Huang, C.* , Cervantes, M.* , & **Grady, J. S.** (2021, March). Emotions in animated film media: Do emotion portrayals differ by character race? Poster session presented at the virtual biennial meeting of the Society for Research in Child Development.
- Callan** , D., & **Grady, J. S.** (2019, April). How are you fearful? Shyness and inhibition as predictors of toddler adjustment. Poster session presented at the annual meeting of the Western Psychological Association, Pasadena, CA.
- Reynolds* , C., & **Grady, J. S.** (2019, March). Don’t talk to strangers, or should you? Shy children’s vocalizations with parents and strangers. Poster session presented at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.
- Grady, J. S.** (2018, November). Promoting shy toddlers’ physiological regulation during low- and moderately-threatening social contexts. Poster session presented at the annual meeting of the International Society for Developmental Psychobiology, San Diego, CA.
- Grady, J. S.** (2018, July). Parental warmth helps shy toddlers to be bold. Poster session presented at the biennial meeting of the International Congress on Infant Studies, Philadelphia, PA.
- Grady, J. S.**, & Callan** , (2018, July). Relations among parental emotion modeling, cultural orientations, and child adjustment in toddlerhood. Poster session presented at the biennial meeting of the International Congress on Infant Studies, Philadelphia, PA.
- Callan** , D., & **Grady, J. S.** (2018, May). Parent reactions to negative emotions and toddler shyness as interacting correlates of internalizing behaviors and social competence in toddlerhood. Poster session presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.

- Camargo, J.*, & **Grady, J. S.** (2018, May). The role of inhibitory control in shy toddlers' adjustment. Poster session presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Her*, M., Moreno*, G., Perez*, K., Yelinek*, J., & **Grady, J. S.** (2018, May). Boys don't cry? Gender differences in emotion portrayals within storybooks. Poster session presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Her*, M., Moreno, W., & **Grady, J. S.** (2017, April). Emotion socialization through storybooks and prosocial behavior in shy children. Poster session presented at the annual meeting of the Western Psychological Association, Sacramento, CA.
- Yelinek*, J., **Grady, J. S.**, & Mahnke*, C. (2017, April). Preschool teacher's role in the emotion coaching of children. Poster session presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Grady, J. S.**, & Her*, M. (2017, April). Emotion socialization of shy boys and girls. Poster session presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Grady, J. S.**, Her*, M., Moreno*, G., Perez*, K., & Yelinek*, J. (2016, May). Emotion displays in storybooks within American culture. Poster session presented at the biennial meeting of the International Congress on Infant Studies, New Orleans, LA.
- Grady, J. S.**, Kahle, S., & Hastings, P. (2015, March). Maternal emotion explanations facilitate child executive function: Moderation by temperamental shyness and effortful control. Poster session presented at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Bougher, H., **Grady, J. S.**, Root, A., Clarke, S. (2015, March). The relation between child temperament and mothers' response to children's emotions: The role of child age and child gender. Poster session presented at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Grady, J. S.**, & Karraker, K. (2014, July). Maternal and child temperamental correlates of maternal satisfaction, self-efficacy, and interest in the parenting role. Poster session presented at the biennial meeting of the International Conference on Infant Studies, Berlin, Germany.
- Grady, J. S.**, & Hastings, P. D. (2013, April). Parental and parasympathetic regulation of play and the development of preschoolers' sociability: Pathways to becoming a good peer. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Grady, J. S.**, Vera Cruz, R., & Hastings, P. D. (2013, April). Inhibited children become competent peers: Parents' emotional language contributes to prosocial behaviors. Paper session conducted at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Kahle, S., **Grady, J.**, Miller, J., & Hastings, P. (2013, April). Maternal emotion socialization predicts improvement on an affective inhibitory control task. Poster session presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Grady, J. S.**, Karraker, K., & Powell, D. N. (2012, June). Does maternal warmth and encouragement of independence increase shy toddlers' approach behaviors around new peers? Poster session presented at the biennial meeting of the International Conference on Infant Studies, Minneapolis, MN.

- Grady, J. S.,** Karraker, K., & Powell, D. N. (2012, June). Maternal parenting sense of competence as a mediator of the relation between child shyness and approach behaviors in toddlerhood. Poster session presented at the biennial meeting of the International Conference on Infant Studies, Minneapolis, MN.
- Grady, J. S.,** & Hastings, P. D. (2012, April). Parasympathetic regulation of cardiac arousal and parental overcontrol predict boys' behaviors with peers in preschool. Poster session presented at the meeting of the Gender Development Research Conference, San Francisco, CA.
- Stoltzfus, J.,** & Karraker, K. (2011, March). The effect of maternal warmth and encouragement on shy toddlers' responses in a novel social setting. Poster session presented at the biennial meeting of the Society for Research in Child Development, Montreal, Quebec, Canada. Poster session also presented at the annual Eberly College of Arts and Sciences Research Horizons Day (2011, April), Morgantown, WV.
- Ale, C., **Stoltzfus, J.,** & Morris, T. (2010, March). An observational analysis of parental involvement and children's social engagement upon separation at preschool. Poster session presented at the annual meeting of the Anxiety Disorders Association of America, Baltimore, MD.
- Powell, D. N., Karraker, K., Young, M. E., & **Stoltzfus, J.** (2010, March). Adults' liking of infant names. Poster session presented at the biennial meeting of the International Conference on Infant Studies, Baltimore, MD. Poster session also presented at the annual meeting of the West Virginia Academy of Science (2010, April), Morgantown, WV, and the annual Eberly College of Arts and Sciences Research Horizons Day (April, 2010), Morgantown, WV.
- Powell, D. N., Karraker, K., Young, M. E., & **Stoltzfus, J.** (2010, March). Adults' perceptions of infants depicted through names and photographs. Poster session presented at the biennial meeting of the International Conference on Infant Studies, Baltimore, MD. Poster session also presented at the annual meeting of the West Virginia Academy of Science, Morgantown, WV (2010, April) and the annual Eberly College of Arts and Sciences Research Horizons Day (2010, April), Morgantown, WV.
- Stoltzfus, J.,** & Karraker, K. (2010, March). Father-infant play is influenced by infant temperament and sex. Poster session presented at the biennial meeting of the International Conference on Infant Studies, Baltimore, MD. Poster session also presented at the annual meeting of the West Virginia Academy of Science (2010, April), Morgantown, WV, and the annual Eberly College of Arts and Sciences Research Horizons Day (2010, April), Morgantown, WV.
- Stoltzfus, J.,** & Karraker, K. (2009, May). Special challenges in parenting slow-to-warm-up infants. Invited poster presentation at the semi-annual meeting of the Eberly College of Arts and Sciences Advisory Committee, Morgantown, WV.
- Karraker, K., **Stoltzfus, J.,** & Young, M. (2009, April). Implementation of the junior colleague model of training in a life-span developmental psychology doctoral program. Roundtable discussion conducted at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Stoltzfus, J.,** Keener, E., & Karraker, K. (2009, April). Web-based study skills training and performance in a life-span developmental psychology course: It's all about reading skills. Poster session presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.

- Stoltzfus, J.**, & Karraker, K. (2009, March). Relations of gender-typed personality traits and gender identity with the Five-Factor Model. In K. Karraker (Chair), Correlates of gender-typed personality traits and gender identity in adolescence and early adulthood. Symposium conducted at the annual meeting of the Eastern Psychological Association, Pittsburgh, PA.
- Stoltzfus, J. B.**, & Karraker, K. (2008, March). Relations between maternal behaviors and temperament in infancy, toddlerhood, and early childhood. Poster session presented at the biennial meeting of the International Conference on Infant Studies, Vancouver, BC. Poster session also presented at the annual Eberly College of Arts and Sciences Research Horizons Day (2008, March), Morgantown, WV.
- Young, M. E., **Stoltzfus, J. B.**, & Karraker, K. H. (2007, May). Negative attitudes toward women: Relations with prematurity stereotyping. Poster session presented at the annual meeting of the Association for Psychological Science, Washington, DC. Also presented at the annual Eberly College of Arts and Sciences Research Horizons Day (2007, April), Morgantown, WV.
- Karraker, K. H., Young, M. E., & **Stoltzfus, J. B.** (2006, September). Night waking in 6-month-old infants: Relations with maternal depressive symptoms and family characteristics. Poster session presented at the annual conference of the West Virginia Psychological Association, Davis, WV.

Grants

External Grants

Caplan Foundation Early Childhood Grant (2017-2018). Learn *with Me!* Prompting Parent-Child Interactive Learning at a Children's Museum. Co-PI with Marianne Prieto, Executive Director, Children's Museum of Stockton. \$30,000. Letter of intent not invited for full proposal.

Internal Grants

University of the Pacific Research Grants

College Research Fund (2018). Association for Psychological Sciences Conference. \$1018

College Research Fund (2016). Toddlers in Play Study. \$2659

Pacific Fund/NCFDD Faculty Success Program (2015). Faculty Success Program Spring 2016. \$3250

Scholarly/Artistic Activities Grant (2015). Emotions in Families Study. \$3200

College Research Fund (2015). Toddlers in Play Study. \$2998

Scholarly/Artistic Activities Grant (2014). Toddlers in Play Study. \$3305

College Research Fund (2014). CardioEdit/CardioBatch Training Workshop and Software. \$1880

University of the Pacific Teaching Grants

Small Projects Grant, Committee on Academic Planning and Development Grant (2015).

Experiential Learning in a Developmental Psychology Class. \$1225

Small Projects Grant, Committee on Academic Planning and Development Grant (2013). Bayley

Scales of Infant and Toddler Development. \$754

West Virginia University

Student Research Fund, Department of Psychology (2011). \$1000

Student Research Fund, Office of Academic Affairs, Eberly College of Arts & Sciences (2011). \$700

David Daniel Graduate Student Travel Award, Department of Psychology (2009). \$500

Higher Education Resource Fund Award (2006). \$2000

2022 Matthew Tineo, Monica Hernandez-Mendez. *"The dog is feliz": Code-switching in emotion talk with toddlers*

- 2021 Carmen Her. *Emotion displays in race-specific animated film media and viewer perceptions of these emotions.*
- 2020 Stephanie Ascencio. *Physiological ups and downs: Shy toddlers self-regulate cardiac activity under challenging tasks.*
 Shabnam Behin, Delaney Callan, Katherine Brock. *Transforming timidness: Using BST to teach hand-raising and question-asking to shy children.*
 Andrew Leyva, Matthew Tineo, Stephanie Ascencio, Ariella Aung. *The forest or the trees? The micro-social approach and the macro-social approach to coding parent behaviors.*
- 2019 Andrew Leyva, Stephanie Ascencio, Delaney Callan. *“Leave me” or “help me” Are parent behaviors associated with child boldness in shy toddlers?*
 Kajal Patel, Delaney Callan. *Don’t shy away! Relations among activity level in shy toddlers, gender, and social behaviors.*
 Caitlin Reynolds. *Don’t talk to strangers, or should you? Shy children’s vocalizations with parents and strangers.*
- 2018 Stephany Barajas. *Positive affect and adjustment in shy toddlers.*
 Jocelyn Camargo. *The role of inhibitory control in shy toddlers’ adjustment.*
 Alvina Cheng, Ariella Aung. *“Help, mom, I’m scared!” Toddlers’ proximity to parent when introduced to strangers, puppets, and clowns.*
 Caitlin Reynolds. *It’s not you, it’s your gender: Do shy children communicate differently based on the other person’s gender?*
 Emily Zavalza, Jocelyn Camargo. *Waiters or instant snackers? Inhibitory control in toddlers waiting for a snack.*
- 2017 Tiffany Nguyen, Karen Sanchez. *Effects of environmental education: Recycling in school-aged children.*
 Jillian Yelinek, Catie Mahnke. *“Show me your angry faces!” Preschool teachers’ emotion talk in the classroom.*
- 2016 Katie Perez, Jillian Yelinek. *Emotion displays in storybooks within American culture.*
- 2015 Malina Her, Geena Moreno. *Affect in toddlers: Relations to gender, family, and preschool attendance.*

Undergraduate Student Independent Study

University of the Pacific

2015-present. Practicum in Psychology (PSYC 089/189). Approximately 3 to 7 undergraduate students enrolled per semester.

2022 Honors Thesis in Psychology. *"The dog is feliz": Code-switching in emotion talk with toddlers.* Student: Matthew Tineo

2020 Summer Undergraduate Research Fellowship (SURF) Student Project/Independent Study Project (PSYC 197A). *Emotions in film media.* Student: Carmen Huang.

2020 Honors Thesis in Psychology. *Physiological ups and downs: Shy toddlers self-regulate cardiac activity under challenging tasks.* Student: Stephanie Ascencio

2019 Honors Thesis in Psychology. *Say what you feel: Parent utterances when shy toddlers are exposed to strangers.* Student: Caitlin Reynolds

2019 Honors Thesis in Psychology. *Activity level of shy toddlers: Relations with social competence, internalizing behavior, and gender.* Student: Kajal Patel

2018 Summer Undergraduate Research Fund (SURF) Student Project. *Don't talk to strangers, or should you? Shy children's vocalizations with parents and strangers.* Student: Caitlin Reynolds

2017 Summer Undergraduate Research Fund (SURF) Student Project. *The role of inhibitory control on infants' adjustment.* Student: Jocelyn Camargo

2017 Dreyfus Foundation Award for Student Research. *Positive affect and adjustment in shy toddlers.* Student: Stephany Barajas

2017 Independent Study Project (PSYC 197A). *How does presenting a memory test affect recall performance in older adults?* Student: Leah Kaplan

2016 Summer Undergraduate Research Fund (SURF) Student Project. *Preschool teacher's role in the emotion coaching of children.* Student: Jillian Yelinek

2014 Powell Research Proposal Seminar. *The efficacy of yoga in helping elementary school children focus in the classroom.* Student: Jennifer Iverson

West Virginia University

2009-2011. Independent Study in Psychology. Faculty supervisor: Katherine Karraker. Approximately 3 to 5 undergraduate students enrolled per semester.

2008-2009. Honors Thesis in Psychology. *Young adults liking of infant names as depicted through names and photographs.* Faculty supervisor: Katherine Karraker. Student: Darcy Powell

Graduate Student Thesis Committees

2023 Katherine Brock (Chair)

2021 Delaney Callan (Co-Chair)
