Graduate Admissions Application
PROFESSIONAL GOALS STATEMENT FOR MED SPORTS MANAGEMENT

This statement should be concise and direct; it should reflect your ability to present a coherent, well-written response. Please be certain to address the following key points, and include any other information which you feel would be useful to the sports management admission committee considering your application.

Describe the critical skills and knowledge necessary for professional sport managers?
What do you expect to contribute as a student and subsequently as a member of the sports management profession?
