Millersville University (MU) is pleased to offer senior citizens, 62 years of age or older, the opportunity to audit courses on the MU campus or courses that are offered online. Visit Web Schedule & Registration Guide for course information. Tuition will be waived, but fees will still apply.

To apply, an interested senior citizen (auditor) must:

1) Provide proof of age.

2) Obtain and complete the appropriate application for part-time non-degree status if the auditor has not enrolled at MU within five years of the time of application:
   a. If the auditor does not yet have a bachelor’s degree, they must complete an undergraduate application for Part-Time Non-Degree status (no charge) or call Undergraduate Admissions at 717-871-4625 to have an application mailed to them.
   b. If the auditor has a bachelor’s degree, they must complete a graduate application for Part-Time Non-Degree status through the College of Graduate Studies and Adult Learning Admissions or call 717-871-4723.

Once received, the application will be reviewed by MU staff. If admission is granted, the auditor will be asked to complete a Senior Citizen Course Audit and Tuition Waiver form. A form request can be sent to AdultLearning@millersville.edu. You will need to provide your MU email address to receive a form through an automated process flow, DocuSign. The course schedule can be found on the Web Schedule & Registration Guide web page. The form should be submitted no later than one week before the start of class. The auditor will receive a copy by email if the tuition waiver has been approved. The form may be declined due to the requirement to accommodate degree seeking students or related reasons.

Auditors will not take examinations, write papers, or fulfill other course requirements generally associated with earning credit. Auditors may audit only one class per semester under this program. Semesters offered: Winter, Spring, Summer 1, 2 and 3, and Fall. The auditor pays the General Fee (per credit) and Tuition Technology Fee (per credit) based on undergraduate or graduate status and state residency. A listing of fees can be found at the Tuition & Fees web page.
