Antiracist Education

SUMMER INSTITUTE 2022
Appropriate for all educators at all grade levels

Educators will:
- Create projects grounded in social justice and antiracist inquiry questions.
- Consider how to prioritize antiracist pedagogies in any level classrooms across all subject areas.
- Examine questions of equity with learners using interdisciplinary pedagogies that are practical, innovative, engaging, and empowering.

July 11-15
Participants should be available from 9 am - 3 pm for a blend of synchronous and asynchronous work

Registration information:
