Student Name: \_\_\_\_\_ Student I.D. #: \_\_\_\_\_

## Curriculum Record Form for an Academic Minor in Geology

Minor: Geology  
 Department: Earth Sciences

Total credit hours required: see below

**Regulations Governing Minor Course Work:**

1. There shall be a minimum of 18.0 credit hours with a minimum Millersville QPA of 2.0.
2. Only one course which counts toward the major may be counted toward the minor.
3. Courses that count toward a minor are also eligible to be used to satisfy the current University-wide General Education requirements subject to normal distribution requirements.
4. At least two courses should be at the upper-division level (300-400). Exceptions may be requested upon evidence of program depth.
5. No course needed for the minor may be taken Pass-Fail.
6. One-half or more of the work required for the minor must be completed at Millersville University.
7. No student may minor in his or her major. ( Exceptions have been approved for specific departments including Earth Sciences. Please see department for specific combinations).
