Reminders:

1. The laboratory supervisor in charge may close the lab if there is no attendance within the first half-hour. If you wish to use the open lab, but cannot arrive within the first half-hour, it is your responsibility to call the graduate assistant prior to the posted starting time of the lab. The contact information is listed below for your convenience. The lab supervisors will remain in the building should you need them if the lab has been closed.
2. A valid MU OneCard ID must be given to the graduate assistant for admission to the lab.
3. Clean-up is not negotiable. Assignments will be made and verified before your ID is returned.
4. Appropriate clothing is required in the lab. If you are attired in an unacceptable fashion for the lab you're planning to use, you will not be permitted in the lab.
5. You must wear safety glasses and personal protective equipment at all times. Hearing protection is available. It is recommended that you use hearing protection in loud labs.
