*W*elcome Home!

Welcome to the 92nd Annual Millersville University Homecoming Celebration!

For nearly a century, generations of Marauders have returned to campus to reconnect, reminisce, and celebrate the memories that make Millersville feel like home. This year, we are proud to continue that tradition with a vibrant line of events that reflect the creativity, energy, and community spirit that define the 'Ville.

Whether you're a proud alum, a current student, a vendor, or a friend of the University, we're thrilled to welcome you to our Homecoming Maker's Market. Here in the Student Memorial Center, you'll find handcrafted treasures, artistic talent, and meaningful connections that showcase the very best of Millersville.

Thank you for being part of this special day. We hope you enjoy the festivities, support our talented makers, and celebrate what it means to be part of the Marauder family.

With Marauder Pride,
Millersville University Alumni Association

150 Words About Your Business

Nestled in a sunlit corner of my home studio, Willow & Wren was born from a love of storytelling through design. What began as a quiet hobby, bending wire and shaping clay at the kitchen table, blossomed into a heartfelt business rooted in simplicity, texture, and a touch of whimsy.

"Let your style tell your story—one handmade detail at a time."

Each pair of earrings is handmade by founder and maker, Lila Avery, using ethically sourced materials and inspired by nature, nostalgia, and the little moments that make life beautiful. From soft florals to bold statement pieces, every design is crafted to make you feel both grounded and radiant.

We believe in slow fashion, meaningful connections, and the magic of wearing something made by hand. Whether you're dressing up or dressing down, there's a story waiting in every pair.

Thank you for supporting small makers, and for letting us be a tiny part of your day.
