Millersville's beautiful Old Library, now the Biemesderfer Executive Center, has been designated an historic landmark. The building's most unusual features are its stained glass windows, some of them evident in the night photo on the cover. The windows are explained in detail in *Centerpiece of the Campus*, an extraordinary book now available to Annual Fund contributors. President's Annual Report

Highlights of 1984-85 Enumerate Many Millersville Successes

The 1984-85 year was a good one for Millersville University. You will be reading throughout the pages of this report of our successes which have had many different faces—from a glowing reaccreditation report of the Middle States Commission to our talented basketball team's division title. It has also been a year in which we have looked to the future. We have involved many units of the University in long-range planning and are prepared to make the curricular and structural adjustments necessary to keep Millersville strong.

In the academic arena, we have continued to review, revise and improve many of our programs. We are making positive strides toward providing first-quality education that combines the best of the liberal arts tradition with the needs of a fast-paced, ever-changing, highly technological society.

I am pleased to report also that Millersville continues to operate on sound financial footing. Our total budget last year exceeded \$37 million, only half of that from state appropriations. As our recently initiated development efforts began to bear fruit, we have been able to expand or upgrade many of our services, programs and facilities. I hope to see our University continue this positive trend, for no matter how good we think we are, we can always be better. Your support will help keep us on the path of excellence.

The highlights of the past year include:

- The preparation over a six-month period of our five-year report to the Middle States Commission on Higher Education. The response from that body referred to our report as "... a model for other institutions... It was thorough, clear, responsive, logically constructed and future oriented." The Middle States' evaluators also had high praise for many developments during the past five years, especially in the area of strategic planning. The

body concluded that "The effect of Act 188, providing greater autonomy to the individual campuses, has been distinctly positive for Millersville."

- The University continued to strengthen many existing academic programs and launched new initiatives in the areas of international education, communications, fine arts, music, nursing, and a University honors program.

- Last year saw the continuing growth of our campus-wide computer capabilities for both aca-

The Pittsburgh Symphony gave two performances on campus last Fall. Guest conductor was composer Henry Mancini.

demic and administrative application. Our primary purchase in this area for 1984-85 was micro-computers for instructional use.

- In the area of facilities, major renovations in the decor and system of food service took place at Lyle Dining Hall; similar changes are in progress now at Gordinier Hall. Completion of a new water system and installation of a new tank took place last fall and both are now providing improved service across the campus. As soon as connections can be made to the Millersville Borough water system, we will sell water to the community during vacation periods, saving the residents about 15 percent over the cost of water purchased from Lancaster.

- Our faculty, as well as being actively involved in a myriad of civic and professional organizations and activities, had much of their work presented to the public during the past year. In 1984-85, 90 faculty had articles published in professional journals, 13 had books published, and 75 presented papers at professional conferences. Many faculty also presented their work through instrumental or vocal recitals and art exhibits.

- Symposia on the Chesapeake Bay and the Holocaust drew record crowds to the University, as did performances by the Pittsburgh Symphony and guest conductor Henry Mancini.

- President Ronald Reagan's visit to the campus garnered national publicity for Millersville University, and the manner in which the University staff handled his visit brought credit to us all.

- The admissions picture was sound for 1984-85 with total enrollment of 6,583 full and part-time undergraduate and graduate students last September. The summer of 1985 saw record enrollments for both summer sessions.

President Reagan's campaign stop at Millersville was one of the major events on campus last year. At right, a student operates one of the hundreds of computer terminals now used on campus in both academic and administrative settings.

We received 4,350 applications for the incoming 1985 class of 1,500 freshmen and transfer students and anticipate enrollments approximately equal to last year.

- Scholastic aptitude college board scores of our incoming freshman class continued to rise; currently they are 82 points higher than the national average attained by all high school seniors taking the college board exams. Incoming freshmen at Millersville have an average high school class ranking in the 74th percentile.

- The University graduated 1,200 men and women during the 1984-85 year. Our graduates continue to have a high rate of success in finding jobs in their fields and in being accepted into a wide variety of graduate and professional schools. More than 1,000 students had interviews with representatives of approximately 100 schools, businesses and agencies through the Millersville University Placement Office during the 1984-85 academic year. Additionally, the University's annual Career Day brought together more than 1,300 MU students and 80 companies.

Five-Year Enrollment Comparison

- The University employed 740 full-time persons last year. The economic impact of our payroll alone (\$26 million) on the Lancaster County area was calculated to be worth more than \$44 million.

- Twelve alumni branch programs held throughout the country from Florida to Pittsburgh and Philadelphia attracted more than 900 alumni and guests. More than 2,000 alumni and guests attended Homecoming in the fall and Alumni Day in the spring.

- The Class of 1935 introduced what I hope will be the beginning of a tradition for many reunion classes by presenting to the University \$5,000 for endowed scholarships as a 50-year reunion gift.

- Of significant impact last year was the overwhelming growth of private gifts to the University. In our second full year of organized gift giving, the University reached the half-million-dollar mark by raising \$522,000 from private sources. Of that amount, approximately 38 percent (just over \$200,000) was for academic and athletic scholarships.

The Annual Fund netted

The Millersville basketball team, Eastern Division winners, competed in the PSAC championship game held in Hershey, losing a heartbreaker 81-79 to California University. Above, Andrew Marshall takes a jump shot while teammate John Fox, MU's outstanding center, holds back defenders.

\$282,651 from alumni, parents, friends, business and industry, employees of the University, and private foundations. This is an increase of \$61,159 over 1983-84. More than 4,200 alumni contributed to the Annual Fund—an increase of 939 alumni over the previous year—establishing a record alumni participation rate of 18 percent. The national average for public institutions is 20 percent. Thirty-three percent of the University's employees, together with several campus organizations, raised more than \$46,000 for the MEDAL Fund, the employees' portion of the Annual Fund.

From all sources, unrestricted giving to the University totaled \$85,000. These funds will be used to support academic programs and alumni programs, including the computerization of alumni records.

- On Alumni Day, the Alumni Association presented its Alumni House—valued at \$150,000—to the University. The University will begin the renovation of the Alumni House this year. Under the agreement with the Alumni Association, the renovated building will have a reception area for alumni events and will house the memorabilia of the association. The University will build an addition onto the house for its University Advancement offices.

- Endowed giving to the University Foundation totaled \$62,435, an increase of \$21,000 over the previous year. The University and the Millersville University Foundation strengthened their relationship by agreeing on several areas of mutual cooperation. With this agreement the University and the Foundation will move forward with a more aggressive program to encourage endowed giving to the University.

Much work remains to be done. But as you read through this Annual Report of Gifts, I think you will

It was a steamy Saturday in May when 655 Millersville graduates and 4,000 guests participated in Millersville's 130th Spring Commencement held in Biemesderfer Stadium in unusual 80 degree temperatures. The speaker was Dr. James McCormick, commissioner for the State System of Higher Education.

Aid to Students

The majority of Millersville undergraduates continue to receive financial aid to assist with the costs of attending college. Last year 4,301 MU students received \$9,790,035 in aid in the form of grants, loans and jobs. This is an increase of approximately \$265,000 over 1984-85 when 4,340 students were awarded \$9,525,313.

However, since the 1981-82 academic year, there has been a slight decline in financial aid. That is due, in part, to the lower eligibility ceilings placed on family income. Expectations for 1985-86 are that funds available for financial aid at Millersville will increase slightly over last year's levels.

agree we are embarking upon a new chapter in Millersville University's history. At a time when governmental support for public institutions is decreasing, it is in the interest of all of us—alumni, parents, friends, employees, and business and industry—to acknowledge our role in keeping the University strong and improving. I thank you for what you have done throughout the past year and look forward to your continued support of and confidence in Millersville University in the years to come.

My special thanks to committee members who worked so hard on our annual giving program:

Bill McCain'42, chair of the Annual Fund Steering Committee;
Menno Rohrer'32, chair of the Millersville University Foundation;
Bill Duncan'40, immediate past president of the Alumni Association;

Beth Kauffman'52, current president of the Alumni Association;
John W. W. Loose'47, chair of the Alumni Loyalty Fund;

Mary McGrann, chair of the Friends Drive;

Barbara Hunsberger'65, solicitation chair of the MEDAL Fund;

Jim Guerin, executive chairman of International Signal and Control Group, who assisted the University in its continuing development efforts with business and industry of Lancaster County; and

Jim Hazeltine, University trustee and chairperson of the University Advancement Committee for the trustees.

I particularly want to thank you who are reading this report. I speak for the entire University community when I express my deep appreciation for the part you have played in making 1984-85 a significant year for Millersville.

Report of Gifts

Total Private Giving Tops \$500,000

The second year of Millersville University's giving program (July 1, 1984-June 30, 1985) witnessed remarkable growth with total giving of \$522,186, an increase of 75 percent over last year.

The gifts included \$170,139 from alumni, parents, friends and employees and \$112,512 from private foundations for an Annual Fund total of \$282,651. An additional \$62,435 in endowments administered by the Millersville Foundation and \$177,100 in gifts of property pushed the total giving to more than half-a-million dollars, a major step forward in private support for Millersville University.

Within the Annual Fund, the largest individual fund is the Alumni Loyalty Fund which showed an impressive increase of more than \$20,000 last year over 1983-84. Alumni leaders had established a goal of \$85,000 for last year, but raised more than \$95,000. Each of the other fund-raising bodies who contribute to the Annual Fund also met their goals.

The Parents' Fund (parents of Millersville students) surpassed the \$4,000 goal by raising \$4,877 from 173 parents. This is an increase of 103 givers and \$3,077 over last year.

Gifts from 33 percent of the University employees and contributions from campus organizations and several benefit projects raised \$46,764 for the MEDAL Fund (Millersville Employees Dedicated to the Advancement of Learning).

Friends of the University, including individuals, businesses and industries, contributed \$23,260, with corporation matching gifts totaling \$5,848. Private foundations contributed \$112,512, an increase of

more than \$20,000 over the previous year.

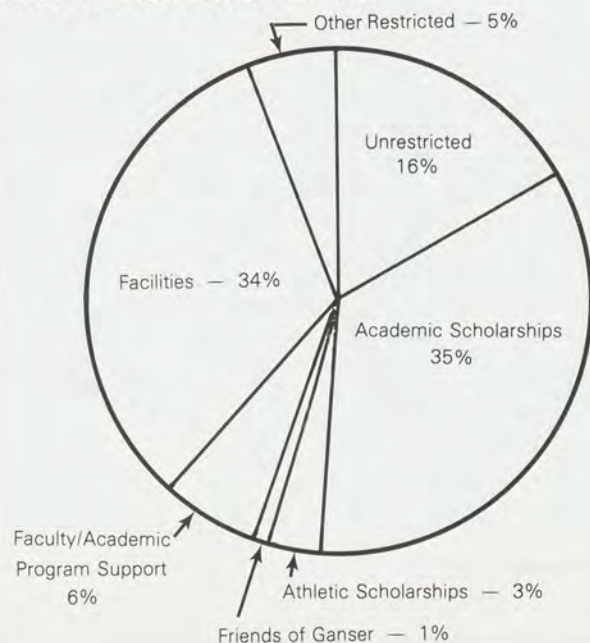

Charts on the next two pages show the successes in attaining Annual Fund goals, present a two-year comparison of gifts and give a breakdown of restricted and unrestricted giving. Unrestricted giving to the University supports the library, an alumni development computer program, the Alumni Office, and the Academic Affairs Office for faculty research and visiting lectureships. Giving to academic scholarships supports, in part, the Search for Excellence Scholarship Program.

All gifts to Millersville University during 1984-85 are summarized on the following pages.

Associates Program

Individuals and corporations who donate \$100 or more are members of the University Associates Program. This program has four levels of giving:

- University Associates, annual gifts of \$1,000 or more
- President's Associates, annual gifts of \$500 to \$999
- Millersville Associates, annual gifts of \$250 to \$499
- Black and Gold Associates, annual gifts of \$100 to \$249

In 1984-85, 406 Associates gave \$153,838 to the University. This level of giving accounts for 29 percent of all gifts to the University for this year. The generosity of these givers is greatly appreciated by the University.

Alumni Loyalty Fund

Gifts to the Alumni Loyalty Fund portion of the Annual Fund greatly surpassed last year's totals, both in participation and total giving. Gifts came from 4,207 alumni compared to 3,268 the year before, increasing in alumni participation from 13 to 18 percent. Giving jumped from \$74,036 in 1983-84 to \$95,238 in 1984-85. The chairperson of the Alumni Loyalty Fund for the past year was John W. W. Loose '47. The Alumni contributors were:

Alumni Giving by Class

A total of 4,207 alumni contributed \$95,238. The 1971 class contributed the greatest amount in total dollars with gifts of \$2,874 with the Class of 1970 just \$19 dollars less. It was another photo finish for the percentage championship. The Class of 1945

was first with a 47.8 per cent participation rate with the Class of 1936 just a hair behind with 47.4 per cent of its members contributing. The average for the entire alumni body was 18 per cent participation. Next year's goal is 20 per cent.

Friends' Fund

Under the leadership of Mary McGrann of Lancaster, Pa., assisted by Mabel Kreider, trustee of the University, Friends of the University demonstrated their support with gifts totaling \$14,170 from 134 individuals.

The University has many ties to the Lancaster community. Nearly 30 percent of the full-time undergraduate body reside in Lancaster County, and another 1,000 Lancastrians take part-time courses at the

University. Further, many local residents benefit from the number of cultural and athletic programs offered at the University.

In addition to the friends who support the University who are Lancaster County residents, there are a number of contributors from outside the County. To all these friends, the University extends appreciation.

Gifts from Corporations

Sixty-four businesses and industries (including matching gift donors) gave \$9,090 to this year's Annual Fund.

The University is developing strong ties with the business and industry community of Lancaster County. Jim Guerin, executive chairman of International Signal and Control Group, hosted a series of meetings with business leaders and members of the University community. In inviting these business leaders to the University, Mr. Guerin noted that the University's employment record is outstanding with a high percentage of graduates being employed within Lancaster County. It is the hope of the University to seek assistance from business and industry leaders for curriculum development and an executive-in-residence program. Further, the University may be of help to businesses through testing and training programs and continuing education courses. The concept of a strong partnership between business and higher education is exciting and one which the University looks forward to developing.

Parents Fund

An objective of the Parents' Committee is to encourage gifts by parents to the University. This year 173 parents contributed \$4,877, surpassing the goal of \$4,000. Parent support is an indication of confidence in the University and helps keep tuition costs down.

The Parents' Committee members are: James and Celestine Dormer, Class of 1986; Richard and Louise Heckert, Class of 1984; Philip and Gloria Schnee, Class of 1986; James and Judy Sheckler, Class of 1986; Donald and Janie Stover, Class of 1988; and Fred and Gloria Wright, Class of 1987.

The following parents of Millersville University students and alumni made gifts to the University through the Annual Fund.

The MEDAL Fund

The MEDAL Fund (Millersville Employees Dedicated to the Advancement of Learning) raised \$46,764 for 1984-85. Thirty-three percent of faculty and staff and a number of campus organizations contributed \$44,179. Special events and transfers from accounts total \$2,685. The contributions support a variety of programs designed to promote excellence within all areas of the University.

The MEDAL Fund began the fiscal year on July 1, 1984 with a balance of \$71,616. Disbursements, including scholarships to outstanding students and awards to faculty and staff totaled \$33,211. With income of \$46,764 and earned interest of \$4,554, the balance on June 30, 1985 was \$89,723.

On the following pages is a review of the MEDAL Fund during the last year.

Gifts to Millersville University Foundation

During 1984-85, the Millersville University Foundation reported total assets of \$743,019, principal funds of \$665,844, income of \$51,173, and operational costs of \$26,000.

Five years ago, the Foundation's total assets were \$250,000. Over this five-year period, interest and dividends rose from \$21,000 per year to more than \$50,000 per year. This is an average annual return of between nine and 10 percent. Profits from stocks and bonds over the past five years accounted for \$115,000 and \$300,000 more was contributed by alumni and friends. Endowed gifts to the University during 1984-85 totalled \$62,435.

Foundation officials believe that one of the major problems in raising funds has been the lack of understanding about the need for giving endowed gifts to public institutions. The increased giving in the last five years may indicate a change in attitude is taking place.

The Foundation is planning to be more aggressive in

its programs to motivate alumni, friends, and corporations to help the University develop and improve its many educational programs through gifts and bequests.

Examples of promising support to Millersville are gifts by the classes of 1938 and 1939. Each class at its last reunion organized a giving program to be finalized at its 50th reunion. The goal is to raise \$10,000 from class members to be presented to the University president at the 50th reunion to establish endowed programs through the Foundation. This year the Class of 1935 presented a \$5,000 check to President Caputo for endowed scholarships.

Endowed accounts can be established through the Foundation for a variety of purposes; at present, most of them support scholarship or award programs. The Foundation is an ideal recipient of bequests and gifts that can be used to establish newly endowed programs or expand current accounts. For further information, contact the University Advancement Office or the Foundation Office.

At its 50th reunion, the Class of 1935 presented \$5,000 to the University to establish an endowed fund with the Millersville Foundation. Helping with the presentation were three proud class members: (from left) Bill Palmer, Paul Diller and Bob Hostetter.

An exchange of the front door key (ribbon attached) of the Alumni House for the \$1 required by law for a title transfer was made on Alumni Day between MU Alumni Association President Dr. William H. Duncan, left, and MU President Dr. Joseph A. Caputo.

Year in Review of the Alumni Association

July 1, 1984 - June 30, 1985

The Alumni Association's year has been an active one, noteworthy by progress and change. Bill Duncan '40 provided a steady hand for the association in his last year as its president. Frances Keller '45 stepped down as executive secretary of the association but retains her role as treasurer. We owe a great deal of thanks to her for the excellent job she has performed over the past few years.

With the resignation of Gordon Diem, Barbara Nichols '71 was appointed interim alumni director. She served in this capacity until July 1, 1985, when Barbara Currier was named Director of Alumni Programs and executive secretary of the Association. Ms. Currier was formerly the alumni director and assistant to the vice president of

development at Mount Saint Mary College, Newburgh, New York.

Branch alumni activities for the 1984-85 year included 12 off-campus alumni events attended by approximately 900 alumni and guests. Regional activities were held in Washington, D.C., Lancaster, Philadelphia, Bucks County, York, Pittsburgh, and Florida. For each of these events an attempt was made not only to bring alumni together from the area, but also to inform alumni of activities occurring on the campus.

Homecoming '84 was held on October 13, 1984. Four hundred sixty-seven alumni registered at the hospitality tent at Biemesderfer Stadium. Highlighting Homecoming were reunions of the five year classes ('49, '54, '59, '64, '69, '74, '79). One hundred eighty-two

alumni and guests attended the alumni dinner dance.

Alumni Day, held June 1, 1985, was again highlighted by the luncheon attended by 250 alumni and guests. This luncheon featured the Distinguished Service Award presentation to Congressman Robert S. Walker '62 and the 1935 class gift of \$5,000 to the University to be used for endowed scholarships.

Classes holding reunions were 1930, 1935, 1940 and 1945. Approximately 190 alumni and guests attended reunion activities. Alumni Day also featured a "Millersville Then and Now" seminar.

A Phonathon '85 team of enthusiastic and loyal alumni, faculty and students called graduates for their support of the annual fund last fall and spring. Their efforts contributed to an increase in the number

of alumni supporting our alma mater.

The Alumni Council met four times and its major activities included: giving \$1,000 to the 1984-85 Annual Fund; expanding the Neimeyer Grant to the Neimeyer-Hodgson Student Research Grant and awarding these grants to 11 undergraduates; presenting the "Search for Excellence" awards to eight freshmen; awarding an alumni scholarship to an undergraduate; and transferring the Alumni House to the University.

The Alumni Association presented the University with the Alumni House as of July 1, 1985. This gift-in-kind, appraised at \$150,000, is the largest single gift presented to the University. The building shall remain known as the Alumni House with office space provided for the Alumni Association and a room designated as the Alumni Life Members Lounge where names of life members will be permanently displayed.

The Alumni body elected six representatives to the Alumni Council in the spring of 1985. I wish to extend a welcome to the newly elected officers serving a five-year term: William Flaharty '24; Nancy Herr Rees '39; Marjorie Ankrum Entemann '44; Stanley Deen '59; Robert Ramaley '64; and Cheryl McClain Youtz '69.

A new alumni-sponsored scholarship for MU's outstanding junior was presented on Alumni Day to Dean Balach, a math major. Audrey Burey Kirchner '59, of the Alumni Association's Scholarship and Grants Committee, visits with the first winner of the annual \$400 award and with U.S. Congressman Robert Walker '64, at right. Rep. Walker received the 1985 Distinguished Alumnus Award.

Barbara Hunsberger '65, vice president; Steve DiGuseppe '82, secretary; and Frances Keller '45, treasurer; and I will be serving as your Alumni Association Council Executive officers for 1985-1986.

Current class representatives on the Council will serve until new elections are held during their next reunion year. Within five years a newly developed election procedure will reduce the council membership from more than 90 to approximately 40.

The Alumni office began the development of a career forum program and plans are being made for the publishing of a 1986 Alumni Directory.

I look forward to serving as your alumni president, but more importantly, I look forward to your support and involvement in the life of Millersville University.

Elizabeth Kauffman '52
President
Alumni Association

Celebrating its 50th reunion on Alumni Day was the Class of 1935, above, posing for a group photo after luncheon ceremonies that included the formal presentation of the Alumni House, at left, to the University. Also on the day's agenda were campus tours conducted by van.

November 2
through
November 20

The Fall Phonathon for the 1985-86 Annual Fund will be held for three weeks, November 2-20, 1985. Many alumni and friends will be receiving calls during this period from volunteers asking for gifts to this year's Annual Fund.

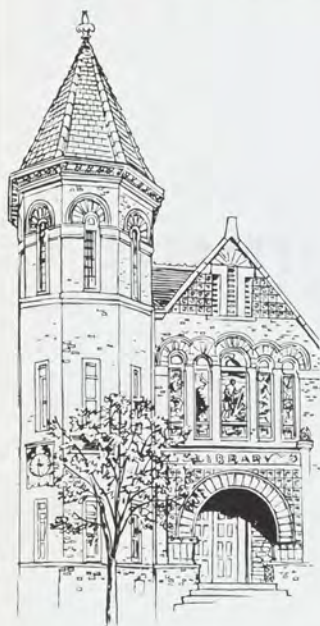

Our goal is \$310,000—an increase of \$50,000 over last year. To encourage our

supporters to increase their contributions this year, a special gift will be mailed to those who give at least \$25 more than their previous contribution. See details below.

When your telephone rings, please respond positively and be as generous as possible. Your gift is a gift to the future of Millersville University.

A special offer to Annual Fund contributors . . .

The beautiful full-color book

Centerpiece of the Campus

This 136-page book is a pictorial and narrative portrait of the Old Library, now the Biemesderfer Executive Center.

The soft-cover edition of this beautiful book, "The Centerpiece of the Campus," is offered to all donors who *increase* their gift by \$25 over their previous year's contribution.

The hard-cover numbered edition, a collector's item, will be presented to each donor who increases this year's contribution by \$100 over the previous year's gift. The hard copy is in limited supply and this offer must end when the supply is depleted.

The book tells the story of the magnificent transition of the Old Library to an executive center. The book includes:

- 196 photographs, including 134 in full cover.

- An overview of the library science program and the contributions made by Miss Helen A. Ganser.
- Photographs of the 1967 "Book Walk" when the library was moved to Ganser.
- A chapter on Dr. Biemesderfer's career and another written by Dr. Biemesderfer sharing his memories of the Old Library.
- A complete report in words and photographs of the special architectural features of the building.

Use the enclosed envelope and send your gift to the 1985-86 Annual Fund today. Help Millersville in its goals of excellence and receive a beautiful keepsake of the history of Millersville University.
