Athletic Medical Clearance
Instructions for New Student-Athletes

Freshmen/Transfers

Millersville University Intercollegiate Athletics
2024-2025
This document outlines the requirements for athletic medical clearance for student-athletes new to Millersville University for the 2024-2025 seasons.

Detailed instructions on how to complete each requirement are also included.

Please review and complete these instructions. Feel free to contact the athletic trainers with any questions or concerns about this process.

New Student-Athlete Checklists

Prior to Coming to Campus
- Sickle cell status/results
- Complete Sportware account
- Physical within the last year
- Vaccination records
- Up-to-date tetanus (TDAP) vaccine (within past 10 years)

Completed On-Campus
- PPE with team physician
- Concussion baseline testing
- Mental Health Screen
Sickle Cell Status

NCAA policy dictates that all student-athletes new to an institution must provide proof of their sickle cell status.

Most people born in the United States were testing at birth; instructions on how to request your records vary based on what state you were born in. These instructions can be found on the Millersville University Athletic Training website.

Students who cannot get their results will need to obtain testing. This can be completed with your primary care provider. The needed test is called hemoglobin solubility or hemoglobin iontophoresis test.

Results can be faxed to Millersville University Athletic training at 717-871-7885. Please ensure the student-athlete’s name and M-number are on the results.
1. Request Access
   • Navigate to www.swol123.net
   • Select the “Join Sportware” button about 1/3 down the page
   • Enter Ville2425
   • Enter your full legal name in the required fields
   • You must use your Millersville email
   • You must select “Not Started” for your group
Sportsware Account

2. Accept Access

• Your request will be reviewed within 4 business days.
• You will get an email with login instructions. Please note this is often filtered to your Spam/Junk folder so please check there.
• If you see the email after the login link has expired, you will simply need to utilize the “Reset Password” button.
3. Complete Your Athlete Information

• When you login you will see a line “Your Athlete Information is incomplete.” Click on that statement to continue.
3. Complete Your Athlete Information – General
• You will see the “General” information tab.
• Complete all red required fields.
• **Do NOT enter your SSN**
• Only enter sports you are on the official roster for
Sportsware Account

3. Complete Your Athlete Information - Address
   • Navigate to the “Address” tab next.
   • Your primary address is your permanent home address.
   • Your secondary address is your campus address – this can be completed after you arrive on campus.
3. Complete Your Athlete Information - Insurance

• Navigate to the “Insurance” tab next.
• Complete all required fields marked in red
3. Complete Your Athlete Information - Insurance

- At the bottom of the page upload photos of the both the front and back of your card
- First select the file, then click add on the appropriate side
- Both the front and back must be uploaded to be complete
3. Complete Your Athlete Information - Save

- Once that has been completed click the “Save” button in the top right corner.
- If you navigate away from the page without saving your progress will be lost

Note: if you see a pop-up like the one below after clicking save double check your information, something required is missing
4. Complete Your Medical History

- On the home screen you will see “Your Medical History is incomplete.” Click on that statement to continue.
- Answer all questions on the following screen honestly.
- Ensure you provide an explanation for any “Yes” answer.
- Be sure to save when you are done.
Sportware Account

5. Upload your required forms

• Click on the forms button marked with a paper clip on the left side of the screen.
5. Upload your required forms
• Click the add button at the top right corner of the screen.
• Choose your most recent physical from home, add the file as LastName.FirstName.Physical2024 and click save
• Click the add button again
• Choose your vaccination records, add that file as LastName.FirstName.Immunizations2024
• If you have your sickle cell results upload those as LastName.FirstName.SickleCell2024
• Click Save

Be sure to name the files as described to avoid any confusion and delays
Scheduling Your PPE

• Now you have completed your Sportsware and are ready to schedule your PPE

• PPEs will be held June 10, July 15, July 22 and July 29. Exams will start at noon and run until 4PM. This is a station-based process; please plan to be present for the duration of the afternoon.
  • Once your Sportsware is completed contact Heather Wolfe at heather.wolfe@millersville.edu with your preferred date. Appointments must be scheduled at least 3 business days in advance.

• Come to your PPE prepared!
  • If you have a cardiac or neurologic history please bring copies of all related medical records
  • If you have had a recent surgery please bring all related records.
The remaining requirements will be completed after you arrive on campus

- Your concussion baseline will be completed as part of your PPE
- Your mental health screen will be completed upon your arrival to campus
