III. Treasurer's Report

- Balance is \$891.09
- We are currently having bank issues. The bank switched from a credit union to Fulton bank and along the way they changed the routing numbers. This caused us to bounce two checks both written to the scholarship recipient. This caused us to incur 2 bank fees through our bank that were promptly reimbursed but we also incurred the fees that the recipient's bank charged her. Fulton has denied reimbursing the fees incurred through the recipient's bank.
- We lost \$60 in bank fees
- Any Suggestions for a new bank? One with no minimum or maintenance fees. If so, email Katie Fox.

V. Members Questions and Comments

- It was brought to the attention of the club that Lancaster Pediatrics is not willing to sign sports physicals after June 1st if the physical was done before June 1st. They are aware that the PIAA will not accept their physical dated before June 1st. If you come across this problem then you will have to send the kid to Med Express to get another physical.
- It appears like the PIAA will be keeping the current Pre-season 3-day prior to the start of the season acclimatization rule in effect. They were toying with increasing it to 5-days prior to the start of the fall season.
- During Athletic Training Month the student athletic trainers will be decorating their school with AT promoting posters and they will also be featured on Hempfield’s morning TV station. Also, some Hempfield students will make an appearance outside of the Today show with posters to support AT month.
