One-on-one sessions with Academic Mentors are available in 30min increments during the above times. To make an appointment and receive Zoom information, send your name, phone number, preferred time slot, and the course for which you need assistance to ohmedina@millersville.edu. It is best to book appointments at least 24hrs in advance, but we will accommodate shorter notice if we can. Small group study sessions can also be arranged!

If you need assistance but cannot be available during the above study times, need help with a Biology course not listed in the above schedule, or if you have other questions about biology academic support or mentorship opportunities for biology majors, contact Dr. Horton at brent.horton@millersville.edu.
