

Millersville University
Lombardo College of Business
Student Success Data, 2017 – 2022

Note: Vertical axis denotes percentages. Horizontal axis represents the year in question, and NOT the student cohort. For example, 2nd-year retention for 2022 represents the percentage of business students who joined Millersville University as first-years in Fall 2021 and re-enrolled (while still being business majors) in Fall 2022.
