Lunch and Learn	3/18	Kim McCollum-Clark	University Room - Gordinier	Lunch Provided
Lunch and Learn	4/15	Kim McCollum-Clark	University Room - Gordinier	Lunch Provided

2024-2025 CAE PROGRAMMING

2024-2025 Pedagogically Innovative Educator (PIE) Series

Inspired by the vision of Dr. Aileen Hower and Dr. Miriam Witmer, the *2024-2025 Pedagogically Innovative Educator (PIE) Series* will feature the innovative practices of one PIE faculty or faculty group from each college.

Departments can nominate, or faculty/faculty teams can apply, [via this application](#). Deans of each college will select their college’s innovative educator(s). Departments and colleges will define what innovation means within their disciplines.

A PIE website will highlight each college’s innovative pedagogical practices with their featured faculty and companion videos, documents, and/or other resources.

PIE educators can also elect to hold follow-up learning sessions through the CAE to share their practices with colleagues. Their work will also be showcased and recognized at an upcoming faculty celebration.

The following notes the selected PIE educators by college and the upcoming deadlines for spring 2025:

FALL 2024				
College	SELECTED PIE EDUCATOR			
EDHS	Dr. Jennifer Frank			
SCTE	Dr. Eleanor Casas			
LCOB	Dr. Ankur Nandedkar			
SPRING 2025				
College	PIE Application Deadline for each College	Dean Selection Deadline for PIE Educator	PIE Resource Submission Deadline	Date Resources are Available on PIE Website
AHSS	January 27	February 4	February 28	March 4
University College (includes remaining non-college faculty)	February 28	March 4	March 28	April 3
