

Fall 2020 COVID-19 Guidelines for Student Organization Operations and Events

As of 10.28.20

The Department of Campus Life has developed guidelines for SGA-Recognized Student Organizations during COVID-19. Each recognized student organization (temporary and/or permanent) should embrace these guidelines out of respect and care for one another in order to safeguard the health and wellbeing of our community.

To ensure the health and safety of individuals and the collective Millersville University community, SGA-Recognized Student Organization operations and activities will operate with strict parameters during the Fall 2020 semester. These are the established guidelines and expectations.

We are confident that individuals, and student organizations following these guidelines, we will do our part to reduce the spread of COVID-19, while providing engagement opportunities for our campus community.

Student Organization Operations and Events

- Face coverings are required while on campus

Specific Guidelines for In-Person Events and Activities of SGA-Recognized Student Organizations

The following guidelines for Student Organization In-person events and activities have been determined to ensure the safety and well-being of our community. These guidelines will apply to all in-person events, held/hosted by SGA-Recognized Student Organizations until further notice.

Student Organization In-person events are only permitted if Lancaster County is in the “Green Phase” of reopening, as designated by the [Commonwealth of Pennsylvania](#).

An In-person event is defined as any planned or spontaneous gathering, indoors or outdoors, where any portion of the event will be held on property owned or controlled by Millersville University, and with an attendance of 10 or more people.

Examples of in-person events include but are not limited to a student organization: hosting meetings, trainings, performances, celebrations, rallies, demonstrations, social gatherings, lectures, forums, speaker presentations, conferences, or recreational or sporting events.

Effective Fall 2020 and until further notice, student organizations wishing to hold/host in-person events/activities, must have the organization’s on-campus (university faculty/staff member) advisor in attendance.

Student Organizations hosting an event must follow the [Center for Disease Control \(CDC\)](#) and [Pennsylvania Department of Health](#) (PADOH) guidance for mitigating the spread of COVID-19. The event host(s) must also agree to monitor public health indicators, adjust orders and restrictions. Either the Department of Campus Life or the event host(s) may cancel if the newest information advises them to do so.
