## Undergraduate Catalog

### 2013-2014

---

An undergraduate catalog is published every year by the Millersville University Council of Trustees. This publication is announcement for the 2013-2014 academic year. The catalog is for informational purposes only and does not constitute a contract. The provisions of this catalog are not intended to create any substantive rights beyond those created by the laws and constitutions of the United States and the Commonwealth of Pennsylvania, and are not intended to create, in and of themselves, any cause of action against the Pennsylvania State System of Higher Education, the Board of Governors, the Chancellor, an individual President or University, or any other officer, agency, agent or employee of the Pennsylvania State System of Higher Education.

Information contained herein was current at time of publication. Courses and programs may be revised; faculty lists and other information are subject to change without notice; course frequency is dependent on faculty availability. Not all courses are necessarily offered each session of each year. Individual departments should be consulted for the most current information.

# Introduction

## AN INTRODUCTION TO MILLERSVILLE UNIVERSITY

---

Millersville University of Pennsylvania, located in scenic Lancaster County, is one of the 14 state-owned institutions of higher education that make up the Pennsylvania State System of Higher Education.

### HISTORY

In the early 1850s, a group of private citizens in Lancaster County decided to sponsor a three-month summer school program that would provide more education for local pupils than what was then available in public schools. The immediate success of that initial program prompted its sponsors to propose that a permanent academy be established. The decision eventually led to the founding of what is now Millersville University.

The academy began in 1854 with the construction of a three-story building containing a small auditorium, two classrooms and housing for 50 students, located on seven-and-one-half acres at the corner of West Frederick and George Streets in Millersville. In 1855, just as the building was nearing completion, the trustees saw an opportunity to promote the new school by offering its free use to J.P. Wickersham, a superintendent of Lancaster County Schools, who was searching for a place to hold a three-month teachers' institute.

Wickersham opened his Lancaster County Normal Institute on April 17, 1855, with 147 students each paying \$34 for room, board and tuition for the three-month term. Before the term was over, both Wickersham and the Academy trustees agreed that the school should become a permanent Normal School.

The Lancaster County Normal School, the first school of its kind in the state, opened on November 5, 1855, in Millersville with approximately 100 students. The original academy building, soon known as "Old Main," was expanded and enlarged over the years and served the College in many capacities until it was razed in 1970. The University's 11-story Ganser Library now stands on that site.

Two years after the school's opening, the Normal School Law of Pennsylvania was enacted. It divided the state into 12 normal school districts, with Lancaster, York and Lebanon Counties forming the second district. The law also established certain minimum requirements for facilities and curricula. The state legislature, however, enacted no funds for the development of the schools. The trustees at Millersville raised \$20,000 from gifts and subscriptions of stock, at \$25 a share, to finance the expansion necessary to meet the requirements of the law.

On December 2, 1859, Millersville was approved as the first State Normal School. When the school passed completely under the control of the state in 1917, all shares were redeemed at the par value of \$25, ending 62 years of private control.

In 1927, Millersville became a State Teacher's College and was empowered to grant the Bachelor of Science in Education degree. In 1959, the College's name was changed to Millersville State College and a master's program in education was added. In 1962, the College was authorized to grant the Bachelor of Arts degree. In 1982, the Pennsylvania Legislature passed Senate Bill 506, creating the State System of Higher Education, effective July 1, 1983. On that date, Millersville State College became Millersville University of Pennsylvania.

In 1988, Millersville began offering courses at several sites in the city of Lancaster. Both credit courses and continuing education opportunities were provided to serve the educational needs of Lancaster city residents, area businesses and nontraditional students.

Today, Millersville is proud of its beautiful, well-maintained 250-acre campus abounding with reminders of a long history. The bell from Old Main has been carefully preserved and hung in a dramatic tower. The original library, a lovely brick building built around the turn of the century with turrets, stained glass windows and extensive oak woodwork, has been carefully restored and is now Biemesderfer Center, "the centerpiece of the campus," which overlooks a scenic pond with two resident swans.

### MISSION

The mission of Millersville University today is summarized in a mission statement adopted by the University Planning Council and approved by the Council of Trustees in 2008. Millersville University recognizes excellence in teaching and learning as its reason for being and is committed to offering students a high-quality, comprehensive university experience of exceptional value. Dedicated to providing nationally recognized programs that embrace the liberal arts, the University provides academic opportunities which are supported by outstanding faculty who are also accomplished scholars, artists and practitioners, and are supported by a talented and dedicated professional staff.

The University provides an extensive range of academic and professional programs to meet the interests and needs of both undergraduate and graduate students. To better prepare students for a diverse society and workforce, the University embraces diversity of people, cultures, ideas and viewpoints. By balancing traditional and innovative learning environments both inside and outside of the classroom, this inclusive campus community enhances learning outcomes and better equips students for their chosen professions.

By preparing students to become well-rounded individuals for productive roles as civic and community-engaged leaders and citizens, Millersville University contributes to the public good. The University stimulates intellectual and creative energy that fosters the growth of our students, faculty and staff, and contributes to the social, political and economic advancement of the Commonwealth and the wider world. The Millersville University community pledges itself to academic freedom and encourages imagination and curiosity, unfettered discourse, the exchange of divergent and controversial opinion, and multicultural awareness and understanding within an environment of civility, mutual respect and cooperation.

## **CURRICULUM AND PROGRAMS**

Millersville University offers 57 bachelor's and two associate degree programs in the arts and sciences, business, industrial technology and education fields, most of which offer many options and choices to students. All Millersville undergraduate degree programs include a general education component designed to develop student communication skills and critical thinking abilities, as well as provide a broad foundation in the liberal arts, humanities, fine arts, and natural and social sciences.

Millersville also offers master's degrees in 25 programs in the arts and sciences and education, as well as selected certification programs.

A number of special educational opportunities are provided, including honors programs, independent study, field experiences, study at other institutions and abroad, and developmental course work.

Millersville University's faculty, staff and services reflect the University's concern for student growth and development. There are over 300 full-time faculty members available to advise and counsel students on academic and career-related matters. There are also counseling, career planning and placement, and tutorial services, as well as services for nontraditional students. A wide range of cocurricular and extracurricular activities and cultural events are offered.

## **THE CARNEGIE FOUNDATION**

The Carnegie Foundation for the Advancement of Teaching has selected Millersville University of Pennsylvania as one of the 115 U.S. colleges and universities for its 2010 Community Engagement Classification. Millersville joins the 196 institutions identified in the 2006 and 2008 selection processes.

The foundation, through the work of the Carnegie Commission on Higher Education, developed the first typology of American colleges and universities in 1970 as a research tool to describe and represent the diversity of U.S. higher education. The Carnegie Classification of Institutions of Higher Education continues to be used for a wide range of purposes by academic researchers, institutional personnel, policymakers and others.

A listing of the institutions in the Community Engagement Classification can be found on the Carnegie website at [www.carnegie-foundation.org](http://www.carnegie-foundation.org).

## **THE STUDENT BODY**

Millersville University enrolls approximately 8,500 students. Eighty percent are full-time undergraduates; the rest are part-time undergraduates and graduate students. About 56 percent of undergraduates are women, and one in ten is at least 25 years old. About two-thirds of Millersville's undergraduates come from southeastern Pennsylvania.

Millersville University is a selective institution, admitting 63 percent of the approximately 6,700 students who apply each year. Millersville students are well above national norms in SAT scores, high school grades and class rank, and in years spent studying college preparatory subjects such as English, mathematics, foreign languages, science and social studies. About half the freshman class has combined Verbal and Math SAT scores over 1020, and approximately 62 percent graduated in the top two-fifths of their high school class.

Over 2,200 students live in University residence halls, with the remainder of the student body commuting from homes and nearby apartments.

# Admissions & Finances

## ADMISSION TO MILLERSVILLE UNIVERSITY

---

Students may be admitted to Millersville University to work toward an undergraduate degree or to take college-level courses for self-enrichment or career development. Students already holding a bachelor's degree may wish to pursue a second undergraduate degree. For more information on any of Millersville's undergraduate admission programs, contact the Office of Admissions in Lyle Hall at 800-MU-ADMIT or 717-872-3371, or visit the Millersville website at [www.millersville.edu](http://www.millersville.edu).

### GENERAL ADMISSION POLICIES FOR ALL APPLICANTS TO UNDERGRADUATE DEGREE PROGRAMS

---

#### QUALIFYING FOR ADMISSION

To be considered for admission to Millersville University, one must be a graduate of an approved secondary school or hold a General Educational Development (GED) high school equivalency diploma. Traditional students applying directly from high school must have completed an academic program which includes the following course work: four units of academic English; three units or more of academic mathematics, minimally including algebra I, algebra II and geometry; three units or more of academic science, including two or more units of laboratory science, biology and chemistry with lab and any other inquiry-based lab or technical science; and three or more units of academic social science course work. Foreign language course work at the secondary level is recommended but not required for admission consideration. Also required are satisfactory scores on the SAT or the ACT. Any home-schooled applicant wishing to be considered for admission to Millersville University should be a graduate of an approved home school association program. A GED issued by the Pennsylvania Department of Education is preferred if the student has not completed an approved program of study. Also required are satisfactory scores on the SAT or ACT.

Admission to undergraduate degree programs at Millersville is selective. However, a special admission program is available for some whose high school record or SAT or ACT scores do not demonstrate their true potential.

Admission to Millersville University is granted without regard to race, color, religion, sex, national origin, ancestry, age, handicap, marital status or lifestyle. Applications from qualified out-of-state students are welcomed; requirements for Pennsylvania resident status appear under the *Expenses and Financial Aid* section of this catalog.

All courses are taught in English, and students are expected to have demonstrated English language proficiency.

#### HOW TO APPLY

Prospective students are encouraged to apply electronically by following the undergraduate application instructions on the Millersville University website at [www.millersville.edu](http://www.millersville.edu). If you wish to receive a paper application form, please contact the admissions office. For an application file to be considered complete, the following must also be submitted:

1. An official copy of the secondary school record.
2. An official copy of SAT or ACT scores. Arrangements for taking either of these tests may be made through the student's high school guidance office or by writing to the appropriate test organization. Since these scores are used for determining University scholarship eligibility, students may wish to retake them if there is reason to expect a significant score increase.
3. An application fee of \$35 for the electronic application or \$50 for the paper application.

Although not required, applicants are encouraged to have two letters of recommendation from their principal, counselor or teachers, which should be sent directly from the school to the admissions office. A personal statement is also encouraged but not required.

#### DEADLINES FOR APPLICATIONS

Millersville has a rolling admissions policy and usually notifies applicants of a decision within a month after completed forms and supporting credentials are received. High school students are encouraged to submit applications as early in their senior year as possible. Applicants may apply for admission to begin course work in the fall, spring or summer semester. Those applying too late for the admission date of their preference will have their application considered for the next available admission date.

#### ACCEPTING AN OFFER OF ADMISSION

Applicants admitted to the fall semester at Millersville must pay a nonrefundable advance matriculation deposit no later than May 1, or 15 days after the date of the admission letter, whichever is later. Students admitted to University residence halls must also pay an advance housing deposit. These deposits are explained in the *Expenses and Financial Aid* section of this catalog.

Students must enroll in the semester for which they are admitted. Students who do not enroll must submit a written request for the deposit to be applied to the next semester. This request must be submitted prior to the first day of classes in the term for which admission was offered. Failure to enroll and/or submit the written request will result in withdrawal of the admission offer and forfeiture of the deposit.

#### PART-TIME STUDENTS

Full- and part-time degree-seeking applicants must meet the same admission requirements.

## SPECIAL ADMISSIONS PROGRAMS FOR DEGREE-SEEKING APPLICANTS

### THE MILLERSVILLE SCHOLARS PROGRAM

The Millersville Scholars Program provides support services which promote student success, retention and graduation from Millersville University. It is for students who may not otherwise have access to college and assists these students in building the skills, habits and aptitudes that determine success. The Millersville Scholars Program includes an intensive bridge program just prior to the start of the first year known as the Pre-Scholars Summer Institute. Students receive comprehensive counseling and advising support their first year that includes a living/learning community during the first semester.

### TRANSFER APPLICANTS

Students who have completed a minimum of 12 transferable credits of course work at another regionally accredited institution or an approved military training experience with an overall academic average of 2.0 or higher may be considered for admission as a transfer student. Applicants must submit an official college transcript from each institution previously attended. Transfer applicants with fewer than 12 transferable credits must also submit a high school transcript and standardized test scores (SAT or ACT).

A higher GPA and more transferable credits are required to enter some majors.

Applicants with less than a 2.0 average may be admitted on probation if they have been out of college for at least one semester and meet freshman admissions criteria.

**Pennsylvania State System of Higher Education (PASSHE) Academic Passport.** Millersville participates in the PASSHE Academic Passport program, which applies to students who transfer from Pennsylvania community colleges and other PASSHE institutions. Under Passport guidelines, students who have earned at least 12 transferable credits with a minimum 2.0 GPA (on a 4.0 scale) from another participating institution will be considered Passport students. A higher GPA will be required to enter some majors. Millersville will make every attempt to transfer previous course work into required general education or major program course requirements. Some courses may transfer as electives. Courses in which a grade of D was received at a participating institution may be transferable.

**Statewide Program-to-Program (P2P) Articulation.** Millersville University participates in the Statewide Program-to-Program (P2P) Articulation agreement, which allows students who graduate with specific associate degrees from Pennsylvania community colleges to transfer into a parallel baccalaureate degree program at a participating 4-year institution with junior standing. These agreements are based on the successful completion of an Associate of Science (AS) or Associate of Arts (AA) degree that includes at least 60 college-level credits and incorporates the required competencies as described in the TAOC (Transfer Articulation Oversight Committee) —approved documentation which can be found at [www.PAcollege-transfer.com](http://www.PAcollege-transfer.com).

**Harrisburg Area Community College (HACC)/Millersville University Dual Admission Program.** This is a dual advisement program designed to assist students who begin their studies at HACC and earn an associate degree prior to transferring to Millersville University. Students apply to the HACC/MU dual admissions program through their HACC transfer center. The Millersville admissions office receives the student's HACC transcript at the completion of each semester. A credit evaluation is provided and credits are entered into the student's Millersville University academic record. Students participating in the HACC/MU dual program are allowed access to a degree audit report to see how HACC credits apply towards a Millersville degree. Early in their final semester at HACC (prior to earning an associate degree), Millersville will formally admit participants to Millersville University for the semester specified by the student when they entered the program. With special permission of both HACC and Millersville, students may enroll in a limited number of Millersville University courses while pursuing the HACC degree.

**Transfer Credit.** Evaluation of credits from other institutions for possible transfer to Millersville is done by the admissions office after a student has applied and official college transcripts have been received. A preliminary credit evaluation is included with the admission letter sent to most students. In general, transfer credit is awarded for college-level courses in fields of study offered at Millersville that were completed with a grade of C- or higher through a regionally accredited institution. For institutions with other grading scales, courses in which the applicant has earned a grade above the lowest passing grade are accepted.

Transfer students who hold an associate degree from a Pennsylvania community college receive full credit for all work successfully completed, except for remedial or developmental courses and Millersville competency requirements (English composition and public speaking) in which a grade of at least a C- is not earned. To earn a Millersville degree, transfer students are required to complete a minimum of 30 semester hours through Millersville, including 50 percent of their major department requirements (excluding student teaching).

Students who have been awarded transfer credit for a particular course, and subsequently complete the same course at Millersville, forfeit the transfer credit.

Transfer credits are not used in computing Millersville GPAs.

### INTERNATIONAL STUDENTS

Students from other countries, or for whom English is a second language, may be admitted to a degree program if, in addition to satisfying general admissions requirements, they demonstrate proficiency in English. Proficiency may be shown by earning a score of 500 or higher on the written Test of English as a Foreign Language (TOEFL), or a score of 183 or higher on the computer-based TOEFL, or a score of 65 on the Internet-based test. The TOEFL is administered internationally. In lieu of the TOEFL, English language proficiency may be demonstrated by earning a score of "6" or higher on the International English Language Testing System (IELTS) exam.

Students from English-speaking countries may choose to take the SAT or ACT as an option to the TOEFL or IELTS exam. Foreign student athletes who intend to compete in intercollegiate sports must take the SAT or ACT, even if they have taken the TOEFL or IELTS exam.

In addition to demonstrating English language proficiency, as noted above, transfer students with academic credentials from outside of the United States must have their college/university credentials and/or mark sheets sent to a recognized credential evaluation service for evaluation, as well as to the Millersville University admissions office. Original or certified copies of academic credentials must also be sent directly to the Millersville University admissions office. Two such credential evaluation services are the World Education Services, Inc., at [www.WES.org](http://www.WES.org) or the American Association of Collegiate Registrars and Admissions Officers (AACRAO) at [www.AACRAO.org](http://www.AACRAO.org). The credential evaluation service should mail the evaluation report directly to the Office of Admissions, Millersville University, P.O. Box 1002, Millersville, PA 17551-0302, USA.

### **EARLY ADMISSION**

Exceptional high school students may apply for early admission at the end of their junior year. Admissions criteria include a rigorous college preparatory curriculum, superior high school class rank, GPA and SAT scores, and a recommendation from the high school principal. A personal interview is required.

### **NURSING MAJORS**

The Bachelor of Science in Nursing (BSN) degree program is designed for registered nurses who are graduates of accredited diploma or associate degree nursing programs. Admission requirements to Millersville's nursing program are:

1. Evidence of scholarship as shown by an official transcript from an NLNAC-accredited hospital diploma school of nursing or an NLNAC-accredited associate degree in nursing program.
2. Possession of a Pennsylvania license as a registered nurse. RN candidates for licensure will be admitted pending successful completion of state licensure requirements.

The Dual Admission in Nursing Program, in conjunction with Harrisburg Area Community College, provides the opportunity for the student to apply for dual admission to the University as well as the community college. This dual admission enhances student learning by providing access to an array of academic services in support of attaining the bachelor's degree in nursing. Formal admission to the major in nursing at Millersville University occurs upon graduation from Harrisburg Area Community College.

### **ART AND DESIGN MAJORS**

Applicants for the B.F.A. in art, B.A. in art or the B.S.Ed. in art education programs, including transfer applicants, must submit an art portfolio. No original work will be accepted. The portfolio should include a variety of the student's best work. Ten to 15 pieces will be requested in total; 3-5 of those should be drawings, with at least two of the drawings from direct observation. There will be no in-person reviews. Portfolio review deadlines are the first of the month, from September through May.

### **MUSIC MAJORS**

Applicants for the B.A. in Music Business and Technology, the B.A. in Music and the B.S.Ed. in Music Education, including transfer applicants and certification students, are required to audition with a solo performance and to take a musical proficiency test. Information about the audition procedure and dates may be obtained from the music department in the Winter Visual and Performing Arts Center at 717-872-3357 or 717-871-2061.

### **ATHLETIC TRAINING/BIOLOGY DUAL DEGREE**

Millersville University, in conjunction with West Chester University, offers two dual-degree programs. One is a B.S. in Biology: Pre-athletic Training option/Athletic Training dual degree, and the other a B.S. in Allied Health Technologies (B.S. ALHT): Pre-athletic Training option/Athletic Training dual degree. The pre-athletic training degrees are conferred by Millersville in Biology or Allied Health Technologies, while a second athletic training bachelor's degree is earned through West Chester University (B.S. in Athletic Training). The program requires 148 semester hours of study.

Interested students should apply to Millersville University as biology majors with the pre-athletic training option. Upon admission to Millersville, qualified students will be invited to interview for admittance into the dual-degree program. An interview is required for any student interested in athletic training, whether here or at West Chester University. Students not admitted to the dual-degree program will be required to select a new major or new biology option. Minimum requirements to qualify for an interview include a combined (critical reading and mathematics) SAT score of 1070 and/or class rank in the top 20 percent of the high school class; high school laboratory course work in science (biology, chemistry and/or physics); and advanced mathematics. Although not required, experience in high school athletics as a participant or an athletic trainer aide is preferred. Letters of recommendation from certified athletic trainers, physicians, coaches or teachers may be submitted but are not required. Information regarding West Chester University course registration will be provided to students admitted into the program. For more information, please refer to the B.S., Biology, Pre-Athletic Training option description in the *Wellness and Sport Sciences* section of the catalog. You may also consult the B.S. Biology, Pre-Athletic Training and B.S. Allied Health Technologies, Pre-Athletic Training descriptions in the *Biology* section of the catalog.

### **READMISSION OF FORMER STUDENTS**

Former students in good academic standing at the time of their official withdrawal may apply for readmission at any time. Those who were dismissed for academic reasons must interrupt their enrollment for at least one semester. (Refer to the *Academic Standards* section.) Those who subsequently attended another institution must have an official transcript forwarded by that institution to the Millersville University admissions office.

Re-entering students are subject to the curriculum and graduation requirements in effect at the time of their readmission, with the exception of those students who re-enter within one year of their official withdrawal or dismissal. These students have the option of continuing under the curriculum and graduation requirements in effect for them at the time of their withdrawal or dismissal.

## OTHER RESTRICTED PROGRAMS

Millersville occasionally places more stringent admissions requirements on certain degree programs. Students interested in certain programs may be admitted to the University but denied admission to a specific program. Once studies at Millersville are successfully under way, students may formally request to transfer into other majors if they meet minimum departmental standards and if space is available.

## ACADEMIC AMNESTY

Former Millersville University students applying for readmission following a minimum absence of five years since the end of their last semester are eligible to petition for academic amnesty if their cumulative grade point average (CGPA) was below 2.0 at departure. The petition must be in the form of a letter of appeal to the Academic Standards Committee, sent in care of the registrar's office.

In order to be eligible to petition for academic amnesty, the former student must complete an application for readmission to undergraduate degree status. If academic amnesty is granted, the calculation of the CGPA is restarted with the new matriculation semester.

Under academic amnesty, all previous course work and grades remain on the permanent record but are not included in the calculation of the Millersville University CGPA after amnesty is granted. Students may use courses taken in the pre-amnesty period to fulfill general education requirements if a grade of C- or higher was earned in the course.

## SECOND BACCALAUREATE DEGREE STUDENTS

Anyone with a bachelor's degree from a regionally accredited college or university may apply to earn a second bachelor's degree. All second-degree students must declare a major at the time they apply for admission.

## NONDEGREE STUDENTS APPLYING FOR DEGREE-SEEKING STATUS

Individuals who are high school graduates or hold a General Education Development (GED) certificate may choose this alternative entry into a degree program without taking the SAT or ACT tests. These students should first apply to the University as nondegree students. Upon completing 12 credits in at least two subject areas with an average of 2.0 or higher, they may then apply for degree-seeking status.

## ADULT AND NONTRADITIONAL STUDENTS

Millersville University serves individuals who wish to pursue academic interests while also fulfilling work and/or family responsibilities. These courses and programs enable students to reach educational goals by attending college on a full-time or part-time basis through evening, day, off-campus, online and weekend classes.

Applicants who meet criteria for regular admission will be admitted with the same full privileges as degree students. Applicants who do not meet established admissions criteria may pursue a college degree on a part-time basis with provisional degree status. Provisional status ends when students successfully complete 12 credits at Millersville with a 2.0 average. Students who recently were asked to leave a college due to poor academic performance may not be admitted to these programs. New students may begin the admission process in the spring, fall or summer semesters. Application forms are submitted online to the Millersville University Office of Admissions with a one-time application fee of \$35.

Provisional admission opportunities also exist for the adult who did not have strong academic interests in high school or who tried college but did not continue due to motivational or personal reasons. The only required admission credential is a diploma and official transcript from an approved secondary school, a Commonwealth Secondary School Diploma or a General Education Development (GED) certificate. Official college transcripts are required from all colleges previously attended.

Students who are granted admission will be assigned an academic adviser in their major field. Those admitted provisionally or who do not meet departmental admission requirements will be listed as undeclared and temporarily assigned an undeclared adviser. Adult students are urged to meet with advisers well before the beginning of the semester to determine course selections. For additional information on off-campus, evening, weekend and online offerings and programs, contact the College of Graduate and Professional Studies at profdev@millersville.edu, or at 717-872-3099.

## SPECIAL ADMISSION STUDENTS

### POST-BACCALAUREATE TEACHING CERTIFICATION STUDENTS

Anyone with a bachelor's degree may apply for courses leading to initial or additional teaching certification as a full-time or part-time student. For teaching certification requirements, contact the certification office, Stayer Hall, Room 123. To apply for admission, contact the College of Graduate and Professional Studies, Lyle Hall, Room 241.

### PASSHE VISITING STUDENTS

The purpose of the PASSHE Visiting Student program is to facilitate undergraduate student enrollment at institutions of the Pennsylvania State System of Higher Education and to enable students to take advantage of courses available across the System, without loss of institutional residency, eligibility of honors or athletics, or credits toward graduation at the home institution.

See the *Special Academic Opportunities* section of this catalog.

## TRANSIENT STUDENTS FROM OTHER COLLEGES

Students in good academic standing who are on leave from a degree program at another college may apply to Millersville as part-time transient students.

## STUDENTS FROM FRANKLIN & MARSHALL COLLEGE AND LANCASTER THEOLOGICAL SEMINARY

Millersville University has reciprocal agreements with these two institutions. Franklin & Marshall College may, upon appropriate authorization, send students to Millersville for courses not offered at Franklin & Marshall, without a tuition charge from Millersville. Similarly authorized full-time graduate students from Lancaster Theological Seminary may enroll in undergraduate and graduate-level courses at Millersville without a tuition charge by Millersville.

Millersville students may also take advantage of these agreements and enroll for courses at these institutions. See the *Special Academic Opportunities* section for more information.

## HIGH SCHOOL STUDENTS

Qualified high school students may take credit courses at Millersville while pursuing their high school diplomas. Applicants must submit an official transcript. They must also complete a special high school student application form and a special high school student enrollment permission form. Both forms can be obtained from the Millersville admissions office. Participation in this program does not guarantee later admission as a degree-seeking student. Home-schooled students are encouraged to contact the admissions office for additional details.

## VETERANS

Millersville University meets all criteria for approval of Veterans Education under the provisions of Title 38, United States Code, Section 1775 (a)(1). DANTES and USAFI courses are considered for transfer credit in accordance with the recommendations of the Commission of Accreditation for Service Experiences of the American Council on Education.

Veterans, reservists, VA vocational rehabilitation participants and eligible dependents should contact the Office of Financial Aid for information on educational benefits and support resources.

## AUDITING COURSES

An individual who is not concerned with earning credit may audit a course upon approval of the course's instructor. An auditing student attends classes and participates in class discussions but does not take examinations, write papers or fulfill other requirements generally associated with earning credit. The student's transcript does not record a grade but notes that the course was audited. Standard tuition and fees are charged. Ordinarily no more than one course may be audited per semester.

Students enrolled in a degree program may also request audit privileges. See the *Special Academic Opportunities* section of this catalog.

## CONTINUING EDUCATION

Continuing education students experience the best of Millersville University one class at a time. Choose from hundreds of undergraduate and graduate courses which can be taken as not-for-credit. Enjoy vibrant discourse with your fellow classmates and the guidance of the University's renowned faculty. Many classes meet online or at night. Enrollment is limited to space available after the drop/add period for matriculated (degree-seeking) students. For more information on how to enroll for noncredit as a nondegree student, contact the College of Graduate and Professional Studies, Lyle Hall, 717-872-3099.

## ADVANCED STANDING

---

### ADVANCED PLACEMENT EXAMINATIONS (AP)

Credit is granted to students earning scores of 3 or higher on AP examinations. The number of credits awarded depends on the academic major, AP subject area and departmental recommendation. Contact your high school guidance office for information on taking an AP examination. Students must be admitted to degree status and be currently enrolled to be eligible for AP credit award. A score report from the College Board must be sent to Millersville University. Visit [www.millersville.edu/registrar](http://www.millersville.edu/registrar) for more information regarding score reports.

### COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

CLEP is a program of the College Board that includes both general and subject examinations. Six credits are awarded for scores of 50 or above on each of the CLEP general examinations: English Composition (with or without essay); Humanities; College Mathematics; Natural Sciences; and Social Sciences and History. Credit is not granted for the CLEP general examinations taken after 15 college credits have been earned, or in discipline areas where college-level course work has been taken, whether the course was passed or not.

Three to six credits are awarded to students who earn a score of 50 or above on the CLEP subject examinations. Currently enrolled Millersville students must obtain written permission from the department chair where the content of the subject examination is taught at Millersville prior to taking a subject examination.

Contact the University Test Center, Lyle Hall, at 717-872-3710 or [test.center@millersville.edu](mailto:test.center@millersville.edu) for information on taking a CLEP examination. Contact the registrar's office at [www.millersville.edu/registrar](http://www.millersville.edu/registrar) regarding credit awards.

### **CHALLENGING COURSES BY EXAMINATION**

Students who feel they have already mastered the material in a Millersville course may “challenge the course by examination,” taking a test on the course content instead of enrolling for the course itself. Students may challenge most courses in which they have not received a grade, and which have not been waived because of demonstrated competency or advanced placement. Because of content and structure, some courses may not be challenged by examination.

Contact the registrar’s office, Lyle Hall, for instructions, fee information and approval forms. The examination is given at the convenience of the instructor. The grade earned is entered on the student’s record and calculated into the GPA whether or not a passing grade is earned.

In some instances, department chairpersons may approve the use of a CLEP subject examination to challenge a course by examination. See the preceding section on CLEP for more information.

### **INTERNATIONAL BACCALAUREATE (IB) PROGRAM**

Millersville University recognizes the value of the rigorous IB Program and considers it seriously when evaluating the credentials of applicants. For students entering with the IB Diploma or Certificate, credit may be awarded for a score of five or higher on examinations in higher-level (HL) IB courses. Such credit is generally awarded on a course-by-course basis as recommended by the appropriate Millersville University department. The University does not give credit for standard-level (SL) examinations.

Credit awarded for IB higher-level examinations may be used to satisfy general education requirements, major or minor requirements, or electives in the same manner as Advanced Placement (AP). Students will not receive duplicate credit for IB examinations, AP examinations, CLEP examinations or any other college courses taken before or after enrolling at Millersville University. In the event of overlapping course content, credit will be given for only one course.

International Baccalaureate transcripts should be submitted to the Office of Admissions, Millersville University, P.O. Box 1002, Millersville, PA 17551-0302. Students can request transcripts through their high school IB coordinator within the first year after high school graduation. Thereafter, transcripts can be requested from the International Baccalaureate Program, North America, 475 Riverside Drive, 16th Floor, New York, NY 10115, 212-696-4464, [ibna@ibo.org](mailto:ibna@ibo.org).

## EXPENSES AND FINANCIAL AID

As a state-owned university, Millersville University provides educational opportunities that surpass those available at many more costly institutions.

The table below and other information in this section present the most recent approved costs for the academic year (September to May) for students living in University residence halls. Tuition and fees are subject to change at any time.

	Residents of Pennsylvania	Nonresidents of Pennsylvania

Estimated personal costs	1,808.00	1,896.00
Estimated travel costs	800.00	800.00

\*12-13 rates. Rates will change.

### PAYMENT OF TUITION AND FEES

Students enrolling for classes during the early registration period are not required to pay immediately. Electronic semester bills are forwarded four to six weeks before the beginning of each semester. Full payment is due two to three weeks prior to the beginning of the semester.

Student account balances by term are available on the Millersville website through our Millersville Access System (MAX). Students enrolling after billing are requested to make payment immediately upon registration. Students are considered officially enrolled, able to earn credits, receive grades and graduate when all fees are paid in full or their account is "clear." Students who register are responsible to drop any class they do not plan to attend. Failure to drop the class before the semester begins may result in charges and/or grades being posted to your records. Do not rely on the "drop for nonpayment" policy to remove classes.

Information about fees, payments and receipts can be found at [www.millersville.edu/bursar](http://www.millersville.edu/bursar) or at the Office of the Bursar, Dilworth Building. Credit card payments can be made using MAX online.

### Payment Plan

Millersville University has partnered with Tuition Management Services (TMS) to offer an optional installment payment plan to help students and parents meet education costs for the fall and spring semesters.

The TMS payment plan enables participants to make regularly scheduled monthly payments. The payment plan allows for all or a portion of University costs to be paid in 10 monthly payments without interest.

To join this convenient payment plan today, contact TMS at 1-800-343-0911 with questions or log onto [millersville.afford.com](http://millersville.afford.com) and select Millersville University to enroll.

### TUITION

Tuition charges are set in July by the Board of Governors of the Pennsylvania State System of Higher Education and are uniform throughout the 14 state-owned universities.

**Tuition for Residents of Pennsylvania.** Full-time undergraduates pay \$3,214.00\* per semester for 12 to 18 credit hours plus \$268.00\* for each credit hour over 18. Part-time undergraduates enrolled for fewer than 12 credit hours pay \$268.00\* per credit hour. All undergraduates pay \$268.00\* per credit hour during winter and summer sessions.

**Tuition for Nonresidents of Pennsylvania.** Full-time undergraduates pay \$8,035.00\* per semester for 12 to 18 credit hours plus \$670.00\* per credit hour over 18. Part-time undergraduates enrolled for fewer than 12 credit hours pay \$670.00\* per credit hour. All undergraduates pay \$670.00\* per credit hour during winter and summer sessions.

\*12-13 rates. Rates will change. For up-to-date fee information, please refer to the Bursar's Office website at [millersville.edu/bursar](http://millersville.edu/bursar).

**Tuition for International Students.** International students are charged nonresident tuition and fees.

**Residency Status.** In order to qualify for Pennsylvania resident tuition, students must meet State System of Higher Education criteria as summarized below:

1. Continuous residence in Pennsylvania for 12 months prior to registration.
2. U.S. citizenship, formal declaration of intent to become a citizen, or admission to the United States on an immigrant visa. A nonimmigrant visa (tourist or student visa) is not proof of intent of residency.

3. Pennsylvania residency by parent(s) or guardian(s) of students who are minors. The age of majority in Pennsylvania for establishing an independent residence for tuition purposes is 22. A minor may, however, prove financial emancipation and independence through clear and convincing evidence.

4. A United States government employee or a member of the armed forces who was residing in Pennsylvania immediately prior to entering the government service and who has continuously maintained Pennsylvania as his or her legal residence is considered a Pennsylvania resident. Others in military service stationed in Pennsylvania are considered Pennsylvania residents.

5. A student receiving a scholarship or grant dependent on residence in a state other than Pennsylvania is not considered a Pennsylvania resident.

A student who changes his or her residence from Pennsylvania to another state must give prompt written notice to the University. The University may reclassify a student if it believes he or she is no longer a Pennsylvania resident. Students may challenge residency classifications by making written petitions to the Bursar's Office, Dilworth Building. To obtain the request form, go to the bursar's homepage at [www.millersville.edu/bursar](http://www.millersville.edu/bursar) and click on "Residency."

Refunds will be made according to current University and State System of Higher Education policies. Students who reduce their credit-hour load after the end of the drop/add period so as to qualify for billing as part-time students shall not be eligible for a refund of the amount billed which exceeds the part-time rate. After the drop/add period, refunds shall be made only for full-semester withdrawal.

After the end of the drop/add period, there will be no partial refunds for full-time students who reduce their credit-hour load below full-time status, or for part-time students who reduce their credit load. After the drop/add period, refunds of tuition and the general fee will only be made for students who officially withdraw from the University or, in the case of eligible undergraduates, take an official leave of absence.

The technology fee is nonrefundable after the drop/add period, and the refund of tuition and general fee for total withdrawal will be based on the following schedule for the fall and spring semesters.

Through "drop/add period" .....	100%
Second week.....	80%
Third week.....	60%
Fourth week.....	50%
Fifth week .....	40%
After fifth week .....	No refund

NOTE: Refunds for first-time students receiving financial aid under Title IV are made according to Public Law 102-135, Section 484B of the Higher Education Amendments.

First summer session, second summer session, third summer session and winter session are each considered to be separate terms and are treated as such for refund purposes. See the appropriate session course listing for the applicable refund schedule on the University website, [www.millersville.edu/bursar](http://www.millersville.edu/bursar). Rates and refund amounts are subject to change.

### GENERAL FEE

The General Fee is a mandatory fee used to support a variety of ongoing student services and activities, such as student senate, student organizations, health services and wellness programs, Student Memorial Center debt service, expansion, capital replacement and maintenance.

The fee is charged to all students (full-time and part-time, residential and commuting/off-campus) during all University sessions (including first summer session, second summer session, third summer session and winter session) and at all course locations (including University Center in Harrisburg and other off-campus sites).

The 2012-2013\* fee was \$906.75 per semester for full-time undergraduate students and \$75.75 per credit hour for part-time undergraduate students.

\*Rates subject to change for 2013-2014.

### TECHNOLOGY FEE

The technology fee is a mandatory fee collected to support instructional technology.

The 2012-2013\* fee is \$179.00 per semester for full-time Pennsylvania residents, and \$271.00 per semester for full-time nonresidents. Part-time Pennsylvania residents pay \$15.00 per credit, and part-time nonresidents pay \$23.00 per credit.

**Refunds.** The policies and schedule for tuition refunds also apply to the General Fee.

\*Rates subject to change for 2013-2014.

### HOUSING AND MEAL PLAN FEES

The 2012-2013 housing and meals rate is \$4,617.00 per semester and \$1540.00 for a five-week summer session.

\*Rates subject to change for 2013-2014.

**Adjustments in Meal Plan Fees.** Student teachers and cooperative education students residing in University-operated residence halls may request a meal plan adjustment until the Wednesday prior to the beginning of the semester. No reduction in rate will be made for students who go home for a few days at a time.

**Meal Plan for Students Living Off Campus.** Students living off campus are welcome to dine in University dining halls.

*Meal plan per semester:*

\$2,023.00	Captain's Plan, plus \$250 Flex*
\$1,928.00	19 meals per week, plus \$200 Flex*
\$1,744.00	14 meals per week, plus \$175 Flex*
\$1,458.00	10 meals per week, plus \$250 Flex*

\*Note: Flex dollars will now roll forward from fall to spring.

*The 2013 summer meal plan charge for a five-week summer session:*

\$645.00	19 meals per week
\$580.00	14 meals per week
\$485.00	10 meals per week
\$315.00	5 meals per week

Visitors and students who live off campus are also welcome to dine in University dining halls on an occasional basis. Breakfast costs \$4.75\*; lunch, \$6.70\*; dinner, \$8.60\*; and brunch, \$8.60\*. Rates for special events are available from the University Food Service, Gordinier Dining Hall. *\*Rates are subject to change.*

All students who leave the University, regardless of reason, receive a prorated refund of meal plan fees, provided they complete the official withdrawal process.

**Marauder Gold.** Money deposited into your Marauder Gold account may be used to make purchases at campus locations that display the Marauder Gold logo, including the University Store. You can open a Marauder Gold plan with a minimum deposit of \$50 and additions of \$25. Please note Marauder Gold and the amount being sent on your statement.

Marauder Gold must be paid by check, money order or credit card. Financial aid may not be used.

**Refunds.** A prorated refund schedule for housing and meal plan fees for students who withdraw from the University is as follows:

Before student move-in day	100%
First week	90%
Second week	80%
Third week	70%
Fourth week	60%
Fifth week	50%
After fifth week	No refund

## OTHER FEES

**Application Fee: Undergraduate Admissions.** Students who apply and are admitted to the University through the admissions office and are seeking an undergraduate degree will pay the undergraduate application fee of \$35.00 for an electronic submission, or \$50.00 for a paper submission, only once. This is a nonrefundable application fee. After the application fee is paid the first time, any subsequent reapplication will not require payment of a second application fee.

No application fee will be required for transient and nondegree admission using the Part-time Nondegree Application (blue form).

**Application Fee: Graduate Admissions.** People who apply for admission through graduate and professional studies, regardless of the type of admission they seek (e.g., master's degree, certification, nondegree), will pay a graduate application processing fee of \$40.00 with the submission of each new application.

**Late Payment Fee.** Students who do not return the billing statement or make full settlement of their account by the due date are charged \$25.00.

**Late Registration Fee.** Students who register after the start of the semester/session are charged \$25.00, except when permission for late registration has been granted by the registrar.

**Orientation Fee.** Students admitted for the fall semester are required to pay an orientation fee and are expected to attend the orientation program offered in August. The orientation fee amount varies annually and is required regardless of attendance.

**Special Handling Fee.** Anyone who gives the University a check or credit card that is not honored by the bank on which it is drawn is charged \$35.00.

**Replacement Fees.** The fee for replacement of a Millersville student identification card is \$20.00.

**Damage Fees.** Students are responsible for damages, breakages, and loss or delayed return of University property.

**Degree/Transcript Fee.** Each candidate for a degree must pay \$30.00 to cover the cost of the diploma and future transcripts. The Commonwealth of Pennsylvania requires a nonrefundable fee for credentials evaluations and processing teaching certification applications.

**Health Services Supplies Fee.** The cost of any expensive supplies used to treat a patient at Health Services will be charged to the patient.

**Library Overdue and Items Fees.** Please contact the library for information at 717-872-3612 or visit the Millersville website, [www.millersville.edu](http://www.millersville.edu).

## DEPOSITS

**Advance Matriculation Deposit.** A \$100.00 deposit is required upon acceptance of the offer of admission. It may be used toward payment of tuition. It is transferable on a one-time basis to a revised admission date upon the approval of the director of admissions. It is fully refundable only for medical reasons certified in writing by the attending physician or for compulsory military service certified in writing by military authorities. A partial refund (\$25.00) of the fall semester deposit is made if written notification is received by the admissions office no later than May 15.

**Advance Housing Deposit.** Students admitted to University residence halls must pay a deposit of \$125.00 each year. It may be applied only toward payment of residence hall fees for spring. It is transferable on a one-time basis to a revised admission date upon the approval of the director of admissions. It is fully refundable only for medical reasons certified in writing by the attending physician or for compulsory military service certified in writing by military authorities. A partial refund (\$50.00) of the deposit is made if written notification is received by the admissions office no later than May 15. A partial refund (\$25.00) of the deposit is made if written notification is received by the admissions office or the office of Housing & Residential Programs no later than July 1.

## OTHER EXPENSES

Most students incur additional expenses for books and supplies, personal needs and travel to and from home. While these expenses vary widely, the University provides estimates for the purpose of determining financial need for grants and loans.

The total annual expense for Pennsylvania residents living in University residence halls is estimated at \$20,781.00 (\$30,652.00 for nonresidents).

The total annual expense for commuting students who live with their parents or guardians while attending school is estimated at \$16,284.00.

The total annual expense for off-campus students who are renting temporary housing in the Millersville/Lancaster area is estimated at \$22,315.00. This amount assumes the student is sharing facilities and rental costs with at least two other persons.

For more information about estimated expenses and their impact upon financial aid, contact the Office of Financial Aid, Lyle Hall.

**Student Insurance.** An accident and sickness insurance plan is available to Millersville University students through the University insurance carrier, Consolidated Health Plan. All questions regarding eligibility, insurance coverage, costs or premium refunds should be directed to the insurance carrier, 800-633-7867.

## FINANCIAL AID

Financial assistance is available to Millersville students through grants, scholarships, employment and loans. Contact the Office of Financial Aid for information and application, or visit the website: [www.millersville.edu/services/finaid](http://www.millersville.edu/services/finaid).

## UNIVERSITY SCHOLARSHIPS

A number of scholarships are offered at Millersville, including scholarships based on academic performance, athletic potential and need. Some of the larger programs are the Clarence Schock Foundation, Search for Excellence and the Board of Governors tuition waiver program. Information on these and other University scholarships follows the *Financial Aid* section.

## FEDERAL GRANT PROGRAMS

**Federal Pell Grants.** Federal Pell Grants are federally funded awards based on the financial need of the family. To apply for a Federal Pell Grant, complete the Free Application for Federal Student Aid (FAFSA), available online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov), after January 1. Within four weeks, the student will receive a Student Aid Report (SAR) via email (if an email address is provided). Eligibility of the Federal Pell Grant will be determined by the Office of Financial Aid, and you will be notified of your award amount (if any) in your financial award package.

**Federal Supplemental Educational Opportunity Grant (FSEOG).** This program is for undergraduate students of exceptional financial need. To be eligible, students must be eligible for a Federal Pell Grant and be enrolled at least half-time (6 credits). FSEOG grants at Millersville normally range from \$200.00 to \$800.00 per academic year.

## STATE GRANT PROGRAMS

The Pennsylvania Higher Education Assistance Agency (PHEAA) provides state grants (PA State grants) to help Pennsylvania residents in need of financial assistance to attend approved institutions of higher education. To apply for a PA State Grant, complete the Free Application for Federal Student Aid (FAFSA) by May 1. The FAFSA is available online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) after January 1.

Grant size amounts depend on educational expenses, family size and resources. PA State grants are subject to annual review and may change from year to year. Renewal depends on satisfactory academic standing, continued need for financial assistance and the availability of funds appropriated by the Pennsylvania General Assembly.

## STUDENT EMPLOYMENT PROGRAMS

**Federal Work-Study Program (FWS).** This program provides funds for students who have financial need. Students are eligible if they are enrolled at least half-time (6 credits).

Students who have FWS eligibility may also work in the community through the Community Service Learning Program (CSL). Contact the coordinator of community services in Lyle Hall for a list of available positions, 717-871-2223. If you do not have FWS eligibility, you may participate in the CSL Program on a volunteer basis.

**Millersville University Student Employment Program.** This program differs from the Federal Work-Study Program in that students do not have to demonstrate financial need in order to qualify.

Available jobs are posted online and at the Office of Career Services.

## LOAN PROGRAMS

**Federal Perkins Loans.** This program is for students who complete the Free Application for Federal Student Aid (FAFSA), are enrolled at least half-time (6 credits) and demonstrate significant financial need. Maximum loans are \$3,000.00 per year.

Repayment begins nine months after leaving school with up to 10 years to repay. During the repayment period, five percent interest is charged on the unpaid balance of the principal.

**Federal Direct Stafford Loan Program.** This program enables students to borrow directly from the U.S. Department of Education. Millersville University will determine a student's borrowing eligibility and originate a loan with the Department of Education. The student may complete their Master Promissory Note (MPN) online. In order to complete the MPN, you will be sent to the U.S. Department of Education's website. You will need your PIN from the FAFSA (the student's PIN) to sign the MPN.

To be eligible, a student must complete the Free Application for Federal Student Aid (FAFSA) and be enrolled at least half-time (6 credits). The maximum loan for an undergraduate ranges from \$5,500.00 to \$7,500.00 per year, based on grade level.

Federal Stafford loans can be subsidized or unsubsidized. The government pays the interest on the subsidized loan while the student is enrolled. On the unsubsidized loan, the student is responsible for the interest while enrolled.

Repayment normally begins six months after leaving school with up to 10 years to repay. The amount of repayment depends upon the total debt and ability to pay.

**Federal Direct PLUS Loans.** Available to parents of dependent undergraduate students. Additional information can be obtained from the Office of Financial Aid or online at [www.millersville.edu/~finaid](http://www.millersville.edu/~finaid).

**Graduate Direct PLUS Loans.** These loans are available for graduate students. Additional information can be obtained from the Office of Financial Aid or online at [www.millersville.edu/~finaid](http://www.millersville.edu/~finaid).

**Emergency Loans.** Enrolled students may apply for emergency loans to assist with unexpected expenses that may arise. They are limited to \$100.00 and must be repaid within 30 days. These loans cannot be used to pay University charges. Applications and additional information are available from the Office of Financial Aid.

## ACADEMIC PROGRESS POLICY

This policy is effective beginning with the 2012-2013 academic year. The policy is cumulative and includes all students and all periods of enrollment, whether or not aid was received for that period.

This policy refers only to FEDERAL financial aid. Information on PA state grant satisfactory academic progress is included below as well.

**Satisfactory Academic Progress (SAP)** is defined as earning at least 75 percent of all attempted credits. The progress percentage is determined by dividing the total credits earned by the total number of credits attempted. Since the total attempted credits include withdrawals and "F" grades, future aid may be affected. Only credits earned from a course in which the student was actually enrolled are counted in calculation of SAP. Advanced Placement credits, CLEP credits, and credits earned from challenge exams, proficiency exams, or life experience are not used in calculating SAP.

Students who are ineligible to receive aid due to academic progress will be notified by mail at the conclusion of the spring semester, after grades have been posted. Students will have the opportunity to appeal the decision based on extraordinary circumstances, or he/she may make up credits without financial aid until the percentage is met.

**GPA Requirement.** Undergraduate students must maintain a minimum, cumulative GPA of 2.0. Graduate students must maintain a minimum, cumulative GPA of 3.0.

**PA State Grant Academic Progress.** For PA state grant purposes, full-time students must successfully complete 24 new credits each year or 12 credits each semester. Part-time students must successfully complete at least 6 new credits each semester. Summer is considered to be a semester. Only credits earned from a course in which the student was actually enrolled are counted. Remedial credits taken during a term when not receiving a state grant may not be counted toward progress.

## UNIVERSITY SCHOLARSHIPS AND AWARDS

A scholarship is a financial grant for a student's tuition. The grants are based on specific criteria such as financial need or a particular academic or athletic excellence. Recipients are chosen by the Millersville University president or her/his designee. All scholarships/awards listed are not renewable unless specifically indicated otherwise in the description.

The University Scholarships marked with an asterisk(\*) are awarded to first-year incoming students. For more information regarding how to apply for freshman scholarships, contact the admissions office. For general information regarding other scholarships, contact the department found in the brackets [ ] at the end of the scholarship criteria.
