

SCTF & Millersville University
Presents

2021 Business Continuity Planning Workshop

Date: Thursday, September 23, 2021

Time: Workshop: 9:00 AM – 3:30 PM

Location: Virtual/Webinar

Who should attend:

This workshop is designed to improve the knowledge in the business continuity planning areas related to pandemic and cyber security. It is intended for professionals from the public and private sectors as well as faith-based organizations responsible for business continuity planning and emergency planning.

Workshop Objectives:

The workshop will provide the participants an opportunity to:

- Learn about facts and myths surrounding Covid-19 and vaccines.
- Hear from various sector representatives on major lessons learned during the Pandemic.
- Receive an overview on the PA Business Emergency Operations Center and how it functioned during the Pandemic and other state incidents.
- Learn about the 5 Pillars of Cybersecurity and the various resources available for cyber security programs from the US DHS.
- Gain insight into assessing your organization's IT risk profile.
- Network with other regional safety and security professionals.
