

Chemistry Department Fall 2025 Seminar Speakers

Date	Speaker	Topic or Title
September 1 st	No Seminar – Labor Day	
September 8 th	Lucia Consigliere Picco <i>Murley Fellow</i>	Synthesis of Benzisothiazoles
	Joshua Obadofin <i>Murley Fellow</i>	Trifluoromethylation of Alkyl Radicals
September 22 nd	Dr. Andrew Dixon (MU'11) <i>Bulk Chemicals, Inc</i>	Physical/Analytical Atmospheric Chemistry
October 6 th	Dr. Minjoung Kyoung <i>UMBC</i>	Bioanalytical chemistry
October 13 th	No Seminar – Fall Break	
October 27 th	Dr. Kevin Owens <i>Drexel University</i>	Analytical Chemistry (Mass Spectrometry and Laser Spectroscopy)
November 3 rd	Dr. Julie Fenton <i>Penn State University</i>	Finding metastable crystal structures in difficult composition spaces on the nanoscale
November 10 th	Dr. Robert Wismer <i>Millersville University</i>	The History of the Electron
November 17 th	Dr. Matt O'Reilly <i>Villanova University</i>	Synthesis and Biological Evaluation of Functionalized Dihydropyrimidines as Antibacterial Leads
November 24 th	No Seminar – Thanksgiving Week	

Students interested in meeting with a faculty speaker for a coffee, tea, and snack break: please email Dr. Mullen Davis
