

STALL TALK

THE CENTER FOR HEALTH EDUCATION AND PROMOTION
Volume 1, Issue 9 | 2024-2025

When life is tough, and things aren't easy, I know a way to make it breezy!
Look up, look out, give thanks, be glad. Don't dwell on things that make you sad.
Stay with the present, stay in today, and step by step you'll find your way.
