

THE LEARNING INSTITUTE AND THE CENTER FOR CIVIC  
RESPONSIBILITY & LEADERSHIP PRESENTS:

# CHANGES IN EDUCATION POLICY & PRACTICE: IMPLICATIONS FOR STUDENTS WITH DISABILITIES

## POLICY WEBINAR

Recent changes in federal education policy may reduce funding, weaken civil rights enforcement, and limit oversight, posing serious challenges for students with disabilities across K-12 and higher education. This one-hour webinar will feature expert insights on legislative developments, their implications, and strategies to promote compliance and equity in inclusive education settings.
