At Millersville University, our goal is to be a premier, self-operating dining program offering superior food and service to our customers by a team who are inspired to be the best they can be.
Why Millersville Dining?

- We are a self-operated dining service which allows us to provide more wide-spread services to the campus community.

- We offer extensive hours of operation.

- We have a very all-encompassing Catering operation that serves the on and off-campus community, including weddings.

- We are a small “owner-operator” focusing on purchasing from local vendors and practicing sustainability.
