Dear MU Campus Community,

On behalf of the Office of Diversity and Social Justice, we would like to welcome you back to campus. For those of you joining the MU Community, we are fortunate to have you as members of our campus and wish you the best!

To assist you in your role (faculty, staff, student, and administrator), and to ensure the success of all our students, we would like to once again share a list of resources that we are fortunate to have available to our students.

We hope you find this Resource Guide beneficial. We recognize this guide may not be exhaustive. Please continue to send updates to us; we continue to work to make this guide available, electronically.

Sincerely,

The Office of Diversity and Social Justice at Millersville University
