Millersville University's Future Educator Pathway

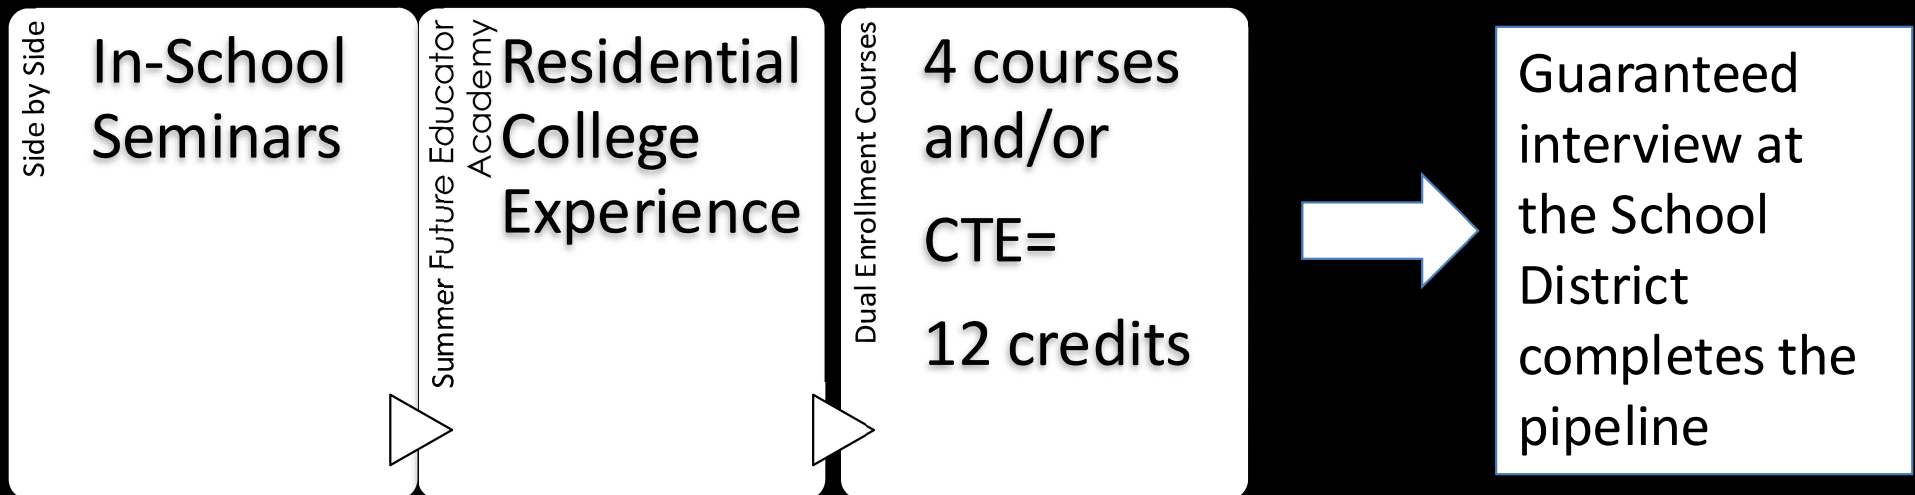

Monday, October 20, 2025

Mission of the Future Educator Pathway (FEP)

- ★ To recruit students, especially underrepresented students, into the field of education.
- ★ To retain our education majors and support them through college graduation.
- ★ To provide professional experiences for our members.
- ★ To mentor one another and strive for excellence.
- ★ To help underrepresented high school students prepare for college & find scholarships.
- ★ To diversify the teacher workforce.
- ★ To nurture culturally responsive educators.
