Clearances
 Act 34/Act 151/FBI clearances and TB test results must be on file in Field Services for registration. To maintain a seat in the class, clearances and TB test results must be updated (not to expire during the current semester) and submitted to the Field Services **one week prior** to the start of classes or you will be dropped from those courses that require field experience.

Admission to Advanced Professional Studies and Certification
 All students enrolled in teacher preparation programs must be admitted to Advanced Professional Studies and meet Pennsylvania state requirements and university requirements prior to being enrolled in their initial Advanced Professional Studies course. Students must meet additional Pennsylvania State requirements in order to be certified. A listing of Advanced Professional Studies courses and requirements is available in each department office, the Early Field Experience office and on the Early Field Experience website.
