EQUAL OPPORTUNITY AND ANTI-HARASSMENT

It is the policy of Millersville University and Experiential Learning and Career Management (ELCM) to promote and maintain an environment free of all forms of discrimination, intimidation, and exploitation including sexual harassment.

ELCM affirms equal opportunity in hiring practices. Offers of employment are expected to be made without regard to disability, race, color, religion, sex, national origin or age.

In addition, ELCM sets forth the expectation that all participating employers will not harass any registrant or other employer in either an emotional, physical or sexual way.

Anyone who believes that he or she has been a victim of sexual harassment or discrimination, or believes that he or she has witnessed conduct that would constitute sexual harassment or discrimination, should report the matter immediately to an ELCM staff member. The report should be made as soon as possible after the incident of alleged harassment or discrimination occurs; failure to report the matter promptly to one of the ELCM staff may hamper effective action.

REMINDERS TO STUDENT CANDIDATES

1. Be sure your cell phone is TURNED OFF!

2. You must wear your name tag.

3. Expect to spend 5-10 minutes with each employer, but take your cues from the recruiter. Be sure to get the recruiter’s name and title for use in follow-up contact. Ask for his/her business card.

4. Many organizations require candidates to submit an online application as part of their selection process. Do not be discouraged if representatives direct you to their web page for this purpose. It is simply one more step in the process to secure employment with their organization.

5. If the waiting line to talk to a particular employer is too long, go to another employer and come back later.

6. If you need assistance or have questions, come to the ELCM registration table at the entrance to the MPR and speak with an ELCM staff member.

7. Follow-up with employers is extremely important. A thank you note should be sent within 48 hours to all employers with whom you spoke at the Fair. Visit Experiential Learning and Career Management if you need assistance.

8. WE WANT YOUR FEEDBACK! The ELCM office will email a short survey to you in the next few days. Please take time to complete the survey so that we may bring MU’s students the best possible employment opportunities.

50plus EXPOs, women’s expos, and Epic MEN’S Expos offer the opportunity for participating exhibitors to meet face to face with potential clients to make personal connections or to build upon an existing relationship. Lively demonstrations and entertainment are provided throughout the day to engage and enliven the experience.

Veterans' events provide veterans and their families an opportunity to be introduced to exhibitors who are interested in their well-being and represent community-service providers, healthcare professionals, VA benefits organizations, education/training providers, business startup assistance organizations, and employers.

Here in Lancaster County, our neighbors have increasing needs and fragmented help. And everyone’s resources are limited. No single organization or individual can accomplish this alone. We have to:

- Continually seek community input
- Employ research and data
- Focus on long-term solutions
- Break down walls between service providers
- Work together to improve the lives of this generation and the next

Great things will happen when we LIVE UNITED.

Through gifts to the Community Fund, United Way is able to invest those dollars into 74 programs supported by 36 Partner Agencies.
