

Preparing for the Job & Internship Fair

EXPERIENTIAL LEARNING
& CAREER MANAGEMENT

What is the Job & Internship Fair?

A Job & Internship Fair is an event that allows students to meet and network with employers and to discuss potential job and/or internship opportunities. Many employers from a variety of industries attend. Employers choose to attend these events in order to meet and recruit excellent MU candidates and in many cases, recruiters are Millersville alumni.

Who can attend the Fair?

The Job & Internship Fair is open to Millersville students and alumni. Attending the fair is beneficial regardless of your class year. As a first, second or third-year student, it is a good chance to explore opportunities in your field of interest, as well as ask questions about internships and/or job opportunities. Graduating students commonly attend fairs to seek full-time job positions and actively network with recruiters in their major as well as to ask questions about the job process.

Why should I attend the Fair?

The Job & Internship Fair provides the perfect opportunity to explore career areas in your selected field of study. It also allows you the chance to practice building your professional networking skills with employers.

Preparation for the Fair

- Perfect your resume
- Do your research
- Develop an elevator speech
- Dress for success
- Ask questions
- Employer follow-ups

Objectives

- Enhance your understanding of a career fair and its purpose.
- Become aware of how to research employers.
- Successfully create and deliver an “elevator speech.”
- Learn how to effectively navigate a career fair.
- Enhance your networking skills.
- Recognize the importance of following up with employers.

What are the benefits of attending a career fair?

- Opportunity to interact one-on-one with employers of interest.
- Practice and enhance networking skills.
- Gain awareness of organizations and positions for which they are recruiting.
- Establish professional relationships and gather contact information from employers.
- Discover a myriad of internship and job opportunities.
- Possibly receive an invitation for an interview.

Common Misconceptions

- The Fair is not for first and second year students.
 - This is not true as it is never too early to start looking into your future career. This is the perfect opportunity to explore career areas in your field of study, as well as begin building up your network.
- You should leave the fair with a job/internship secured.
 - This is also not the case. This is a rare occurrence, and the most important thing about the fair is leaving with the knowledge of who is hiring and for what positions.
