During the investigation we may revoke an employer's use of services. If ELCM determines that a complaint is justified, we may choose not to offer recruiting activities to the employer and will notify that employer in writing of the decision.

Solicitation On Campus

Millersville University students, faculty, staff and individuals not affiliated with the University may not solicit or sell commercial products or services on campus without the prior approval of the Vice President for Student Affairs or designee. Potential employer may not solicit or sell commercial products on campus until the Vice President for Student Affairs or his/her designee determines that the solicitation will not unnecessarily disrupt the operations of the University or the educational environment of the students. This does not include fund-raising events conducted by officially recognized Millersville University organizations. However, these organizations must have the approval of the Vice President of Student Affairs in order to solicit the students or sell any product or service in the residence halls or on campus.

Third-Party Recruiters

Third-Party recruiters are defined as agencies, organizations, or individuals recruiting candidates for temporary, part-time, or full-time employment opportunities other than for their own staffing needs. Third-Party recruiters that do not charge an application fee may utilize MU ELCM Career Connection to post announcements regarding specific job and/or internship opportunities. Third-Party recruiters that charge a fee to candidates will be denied access to Experiential Learning and Career Management and MU ELCM Career Connection.

Experiential Learning and Career Management will request contact information for the organization for which the third party is providing recruiting services if/when there is concern related to a company. Experiential Learning and Career Management must respect the confidentiality of this information and may not publish it in any manner. Any disclosure of student information outside of the third-party recruiting organization and the company they are representing will be with prior consent of the student. Third-party recruiters that charge fees to students will not be permitted access to Experiential Learning and Career Management.

Foreign-Based Organizations

Employers that are foreign-based with no US locations and third-party recruiters who represent foreign-based organizations with no US locations will not be eligible to use MU ELCM Career Connection immediately. Said companies and their representatives are asked to first establish a working relationship with a Millersville University faculty or administrator. The faculty or administrator who agrees to vouch for the organization may then contact Experiential Learning and Career Management's website administrator for further discussion. Alternatively, the employer may send the website administrator a minimum of 1) two reference letters from two career services professionals representing accredited US colleges or universities with whom the employer has worked on a professional basis and 2) a minimum of one reference letter from a recent college graduate who is also a current employee with at least 6 months experience with the foreign-based organization.

Job Postings

MU ELCM Career Connection is a free service for employers to post career-related full-time and internship positions that are appropriate for individuals with or working towards a minimum of a bachelor's degree. Students and alumni create accounts on the system to access postings from employers. In addition, employers will also be able to post part-time, seasonal and full-time opportunities not requiring a degree that may be of interest to current Millersville University students.

Extending Offers To Candidates

Experiential Learning and Career Management requires that employers supply accurate information on their organization, employment opportunities, and compensation packages when extending an offer. Employing organizations are responsible for information supplied and commitments made by their representatives.

Experiential Learning and Career Management does not have specific restrictions on when offers may be extended. We do ask that employers communicate decisions to candidates within a reasonable time frame and communicate that time frame to the candidates.

Employers are expected to refrain from using any undue pressure to accept the job offer (including, but not limited to, rescission of offer if not accepted in less than the two-week time frame), or to renege on an acceptance of another offer. If conditions change and require the employing organization to revoke its commitment, the employing organization will pursue a course of action for the affected candidate that is fair and equitable, including (but not limited to) financial assistance and outplacement services. This is in accordance with the National Association of Colleges and Employers (NACE) Position Statement on Rescinded and Deferred Employment Offers. This document provides additional recommendations, legal considerations, and ethical considerations for employers.

Room Reservations

Employers who meet with students during class visits, club/organization meeting and job and internship fairs may be interested in conducting more in-depth screening on the MU campus. Employers can contact ELCM to reserve interview space on campus. The employer will be responsible for all scheduling arrangements with the students. Employers will be limited to 2 room reservations per academic semester.

Information Tables

Employers who are interested in meeting with students in an informal setting to market themselves to students are welcome to meet students in the Student Memorial Center (SMC). This informal setting is a great opportunity for students to ask questions about your organization, possible positions, and what the qualities the employer looks for in candidates. Tables are scheduled subject to space availability and for maximum visibility during the allotted time. Please note that we do not schedule tables on the weekends, summers or during other major events on campus. To arrange an information table contact Sue Hess at 717-871-7655 or Sue.Hess@millersville.edu. Organizations are limited to 2 visits per semester.
