81% of graduates stated their internship helped clarify their career directions.
NACE

400+ available internships locally, nationally, & internationally
Millersville University

Steps for Obtaining an Internship for Academic Credit:

1. Complete the Request for Internship paperwork: Forms can be obtained at ELCM or online.

2. Receive departmental approval: Forms should be signed by your Faculty Internship Coordinator.

3. Create a Career Connection profile and have your resume reviewed by ELCM staff.

4. Find an Internship: Using Career Connection, LinkedIn, Indeed etc. or schedule a search appointment with ELCM!

5. Interviews: Employers will contact you directly to schedule a face to face or phone interview.

6. Follow Up: Be sure to connect with employers regarding the status of your application. ELCM can provide contact info for these individuals!

7. Accepting the Position? Let us know by scheduling a registration session and providing us with an internship job description.
