

2025-2026 ACTUAL Cost of Attendance (COA)

The Cost of Attendance (COA), also known as the Student Budget, is comprised of both direct costs (*those billed directly by the university*) and indirect costs (*possible costs incurred by a student while attending school, but not billed by the university*). This number is used by the school to determine the maximum amount of financial aid a student can receive for that award year.

Costs listed below are based on full-time enrollment (6 credits) for graduate and post-baccalaureate certification programs.
Actual Tuition/Fee charges are based on a student's per credit enrollment.

- If this calculation results in zero or in a negative number, you have enough financial aid to cover your charges for the academic year.
- If this calculation is a positive number and you need additional aid resources, please visit millersville.edu/fa-options for more information.
- To determine the amount due per semester, divide the yearly amount due by two.
