

# 2025-2026 **ACTUAL** Cost of Attendance (COA)

The Cost of Attendance (COA), also known as the Student Budget, is comprised of both direct costs (*those billed directly by the university*) and indirect costs (*possible costs incurred by a student while enrolled, but not billed by the university*). The school uses this number to figure out the maximum amount of financial aid a student can receive for that academic year and does not reflect actual charges billed.

**The COA listed below is based on full-time enrollment of 12-18 credits.** Billable charges for tuition and fees may differ if students are enrolled less than 12 credits or more than 18 credits each semester.

✦ **The estimated amount it costs to attend MU is not the Total Cost of Attendance, rather it is the Total Billable Charges listed under anticipated housing plans.** To estimate the amount that you will owe after financial aid for the academic year, refer to your Financial Aid Offer Letter. To determine the amount due per semester, divide the yearly amount due by two.
