

2019-2020 **ESTIMATED** Cost of Attendance (COA)

The Cost of Attendance (COA), also known as the Student Budget, is comprised of both direct costs (*those billed directly by the university*) and indirect costs (*possible costs incurred by a student while attending school, but not billed by the university*). This number is used by the school to determine the maximum amount of financial aid a student can receive for that award year.

Please note, costs below are based on full-time enrollment (15 credits) for students enrolled in a fully online program.

* Commuter and off-campus students *are not* billed by the University for *Room* charges; and are only billed by the university for *Board* if they choose to have a meal plan. Amounts listed in those categories above are included in the student's *Total Cost of Attendance* for financial aid processing only. Board (Meal Plan) rates are available at <https://www.millersville.edu/dining>. Meal plan options are referred to as Declining Balance Marauder Dining Options on their website.

** Amounts listed for *Possible Other Educational Expenses* are based on average expenses incurred by Millersville students and are not charged directly by the University. Amounts listed in this category are included in the student's *Total Cost of Attendance* for financial aid processing only.

† The amount it costs to attend Millersville is *not* the COA—it is the *Total Billable Charges*. To estimate the amount you will owe for the academic year, subtract your total financial aid awards (see your *Financial Aid Award Statement*) from your *Total Billable Charges* (see above).

- If this calculation results in zero or in a negative number, you have enough financial aid to cover your charges for the academic year.
- If this calculation is a positive number and you need additional aid resources, please visit the [Office of Financial Aid website](#) for additional options.
- To determine the amount due per semester, divide the yearly amount due by two.
