RETURNING STUDENT CHECKLIST

☐ Search for scholarships!

Millersville University scholarship applications are available each year at the end of November and due early February. To be eligible to apply for any of these scholarships the student must have an established GPA at Millersville. Visit our website for more information on Millersville Scholarships and other outside scholarship databases!

☐ Complete your FAFSA Application

The FAFSA is available each year beginning October 1. To be considered for all types of financial aid, the recommended deadline to complete the FAFSA is March 15th. To be considered for the PHEAA PA State Grant, applications must be submitted prior to May 1st.

To get started, go to fafsa.gov and click “Start a New FAFSA”. To have your FAFSA information sent to Millersville University, you must include our School Code: 003325 on your application. You will need your FSA User ID and password to log into your account. If you have forgotten your FSA User ID and/or password, go to fsaid.ed.gov.

☐ Financial Aid Packaging and Award Letters

Beginning in June, returning students will be packaged with financial aid so long as we have your FAFSA on file and you have completed any outstanding requirements on your account. You will be notified via your Millersville University e-mail with a link to your electronic Financial Aid Award Letter.

☐ Complete any outstanding requirements with MU

If you have not been packaged with financial aid by the end of June and have completed a FAFSA, it may be that we require additional documentation from you. You should have been sent an e-mail notifying you that you have outstanding requirements and to check your myVILLE Portal; select the “Finance” tab to view your “Financial Aid Requirements”. Complete any outstanding financial aid requirements that may delay the processing of your financial aid.

If you do not see a green check mark next to the requirement listed, we still need additional information from you. It is extremely important to check your e-mail throughout the summer to ensure you have completed all of your requirements. To view and complete your outstanding requirements, log into your myVILLE Portal online to avoid a delay in the processing of your financial aid.

☐ Complete Financial Aid Terms and Conditions

To receive financial aid, you must complete Terms and Conditions of your awards online through your myVILLE Portal. To access your Terms and Conditions:

- Log in to your myVILLE Portal
- Select the “Finance” tab to view your “Financial Aid Requirements”
- Select the appropriate aid year and click on the link for Terms and Conditions

MU Billing Schedule

Millersville University bills per semester and uses electronic billing (E-Bills). As soon as E-Bills are ready, an email notification will be sent to your millersville.edu email address that provides step-by-step instructions on viewing your balance due in SAM (Student Account Manager).

- Students can also sign up for E-Bill notification via text message through MAX Mobile. Parents and others can be signed up to receive an email notification when bills are available if the student grants them Third Party Authorization. See the links provided in the section below Important Reminders from the Office of Student Accounts (OSA) for instructions on setting up third party access and text message alerts!

Specific deadlines and due dates for billing are available online under OSA’s Important Dates. In addition, the due date will be available on your E-Bill each semester. See below for a general billing timeline:

Fall Semester:
- Bills for the fall semester become available mid to end of July
- Payment is due no later than the first day of the semester

Spring Semester:
- Bills for the spring semester become available mid to end of November
- Payment is due no later than the first day of the semester

E-Bills should be reviewed to determine whether or not you have a remaining balance due to Millersville.
