When you apply to Millersville University, you are automatically considered for a scholarship, and there is no separate application! The Admissions Office selects the recipients based on specific criteria and selects the highest qualified students. If you are offered a scholarship from Admissions, your scholarship will be in your financial aid offer once they notify our office.

Be sure to look for other external scholarships early! There are many websites and resources you can access for free. Make sure you never pay anyone to search for scholarships or provide your social security number.

- If you are receiving aid from outside sources, please forward a copy of your scholarship award notice to the Office of Financial Aid and mail the physical check to the Office of Student Accounts as soon as possible!

For more information on Millersville and external scholarships, visit our website: millersville.edu/scholarships

Students, parents, and federal loan borrowers are required to create a Federal Student Aid (FSA) ID and password. The FSA ID serves as your electronic signature and is needed to complete your Free Application for Federal Student Aid (FAFSA) and other federal student aid documents.

To create your FSA User ID and password, go to studentaid.gov/fsa-id/create-account. Keep in mind that the same e-mail address cannot be used for both parent and student IDs. If you don’t want your financial aid to be delayed, it’s extremely important that each parent and each student create their own FSA ID and that they do not share it with anyone, even each other.

The Free Application for Federal Student Aid (FAFSA) is available each year beginning October 1. To be considered for all types of financial aid at Millersville, the recommended deadline to complete the FAFSA is March 15th. To be considered for the PA State Grant, applications must be submitted prior to May 1st.

To get started, go to studentaid.gov/fafsa and click Start Here (New Users) or Log In (Returning Users). To have your FAFSA sent to Millersville University, you must include our School Code: 003325

Beginning January, you will begin to receive Financial Aid Offer Letters from each of the schools to which you have been accepted. Once you have decided which school you will attend, contact the school to find out the deadline for the Admission’s Confirmation Fee and how much it the fee is. The amounts may be different depending on your housing status.

The steps provided next are for Millersville University Students ONLY.
If you have chosen to attend another school, please contact their financial aid office for more information.

YOUR NEXT STEPS FOR FINANCIAL AID

☐ PAY YOUR ADMISSIONS CONFIRMATION FEE

If you have decided that Millersville is the school is for you, contact the Admissions Office to confirm enrollment and pay your Admissions Confirmation Fee. To pay your confirmation fee online, click here.

☐ COMPLETE ANY OUTSTANDING REQUIREMENTS WITH MILLERSVILLE

If you received an Offer Letter that indicated that you had an estimated award, we will require additional documentation from you. Once you have paid your Admissions Confirmation Fee, log into your myVILLE Portal and select the Finances tab to view your Financial Aid Requirements. Make sure to complete the Authorization to Release Information form if you want anyone else to discuss your financial aid.

If you do not see a green check mark next to the requirement(s) listed, we still need additional information from you. It is extremely important to check your e-mail throughout the summer to ensure you have completed all your requirements.

If you have outstanding requirements that are incomplete, this may delay in the processing of your financial aid.

☐ COMPLETE FINANCIAL AID TERMS & CONDITIONS

To receive financial aid, you must complete the Terms and Conditions of your awards online through your myVILLE Portal. You can access your Terms and Conditions by logging into myVILLE, clicking the Finances tab; under Financial Aid Requirements, select the appropriate aid year and click on the link for Terms and Conditions. Read the information carefully and click Accept.

☐ ACCEPT, REDUCE, OR DECLINE YOUR OFFERED FEDERAL DIRECT STUDENT LOANS

All borrowers must either Accept, Reduce, or Decline the Federal Direct Loans offered on their account.
- Log into your myVILLE Portal and select the Finances tab;
- To accept or reduce/decline your offered loan(s), click on Financial Aid Awards and select the appropriate aid year.
- You must accept your loan(s) if you want to use them as credit toward your bill.

☐ COMPLETE ENTRANCE COUNSELING AND MASTER PROMISSORY NOTE (MPN)

If you choose to accept your loans, all first-time borrowers must also complete Federal Direct Loan Entrance Counseling and Loan Agreement/Master Promissory Note (MPN) online. Entrance Counseling educates the student about Direct Loans and the student’s rights and responsibilities of borrowing them. The Loan Agreement/MPN is the student’s agreement that they understand these terms and agree to borrow and repay the loan(s) offered to them.

To log into your account at studentaid.gov and complete these requirements, you will need your (the student’s) FSA User ID & Password. These requirements must be completed by the student, NOT the parent(s).

Sign up for Direct Deposit through SAM (Student Account Manager) for quicker and more secure delivery of your refund, or contact the Office of Financial Aid to reduce your loan debt.

**Zero:** Your financial aid is exactly enough to cover your balance at the university. There is nothing further you need to do at this time.

**A Positive Number:** You have a balance due to the university. To see what your exact charges are and what financial aid has been credited towards your bill, click on the “View Activity” link in SAM (Student Account Manager). For a printable version of the bill, click on the On-Demand Statement link.

- Make sure to resolve your bill with the Office of Student Accounts (OSA) by the bill due date to avoid receiving a $100 payment extension fee and a hold on your registration.
- If you need additional aid options, please review the information under the Loans section of our website and/or contact the Office of Financial aid for further assistance.
