

# 2024-2025 **ESTIMATED** Cost of Attendance (COA)

The Cost of Attendance (COA), also known as the Student Budget, is comprised of both direct costs (*those billed directly by the university*) and indirect costs (*possible costs incurred by a student while enrolled, but not billed by the university*). This number is used by the school to determine the maximum amount of financial aid a student can receive for that academic year and does not reflect actual charges billed.

**The COA listed below is based on full-time enrollment of 12-18 credits.** Billable charges for tuition and fees may differ if students are enrolled less than 12 credits or more than 18 credits each semester.
