- II. Report of the Faculty Senate Chairperson
- III. Report of the Student Senate President
- IV. Reports of the Administrative Officers
- V. Reports of the Faculty Senate Standing Committees
- VI. Special Reports of the Faculty Senate Committees
- VII. Faculty Emeritus
- VIII. Proposed Courses and Programs

One-meeting to challenge courses and program:

HNRS/BIOL 212: Honors Zoology Seminar, a new one credit hour course to be first offered in the Fall of 1997 if approved.

GEOG 333: Biogeography, a new three credit hour Liberal Arts Core course to be first offered in the Fall of 1997 if approved.

SOWK 405: Human Behavior and the Social Environment II, a new three credit hour course to be first offered in the Fall of 1997 if approved.

A Music Department Proposal

See the Music Department for a copy of the written proposal. The back of the Music Department proposal includes a proposals group containing 20 or more half credit courses. Four proposals are in the middle third of the document. The curricula needs revising to reflect the new courses; the curricular changes are in the front of the document. The Department has revised all music major, minor, and option requirements.

- IX. Faculty Senate Elections

Recently senate increased the size of the Academic Standards Committee from 7 to 11 members. Senate will hold elections for the four additional Committee members. Also Chairperson D. Eidam will accept nominations beginning 1 April 1997 for open positions on senate committees that are to be filled in the Fall elections in September.

- X. Report of the General Education Committee

Senator C. Stameshkin may ask that senate continue its discussion of the report of the Task Force on General Education.
