This has truly been an amazing semester and we can't wait to see you all back next year! We hope you have a relaxing and well-deserved summer break!

HONORS COLLEGE SEMESTER RECAP

The Honors College did so many fun things this year, including the Homecoming Parade, day trips, and giving back to the community. Take a look at the last year as we recap on some amazing moments!

MU's Homecoming 2024 theme was Around the World. Some Honors students participated in the parade by walking and making signs!

This year we gave back to the community of Millersville by participating in both Day of Caring and One Day Give!

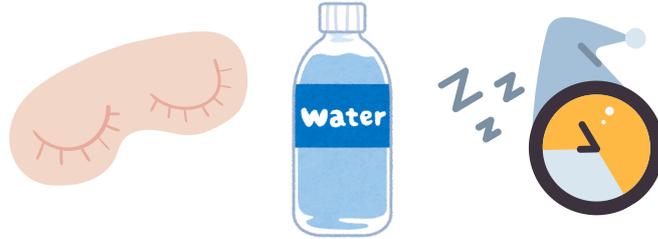

The Honors College recently spent the day in New York City. The students got the opportunity to explore the city and to see the Broadway show *HadesTown*!
