# Welcome Back Tips

*We are officially halfway through the semester! While this milestone is exciting, it does mean busy times are here. Listed below are some tips to help you succeed this Spring semester!*

*Get outside! With brighter days ahead, it's important to take time outside and soak up the warm weather! Go for a walk, study on the quad, sit by the pond, whatever feels best!*

*Use the Writing Center! The Writing Center is great for bouncing ideas, proofreading a final draft, or even creating an outline. The students at the writing center are eager to help, so be sure to utilize their assistance!*

*Attend HCSA, UAB, and other campus events! It's important for us to take breaks from the rigor of academics, so have some fun at the various events around campus as a breather!*

*Schedule your week ahead of time. The Spring semester is a busy season and can seem overwhelming at first glance. Try to schedule out your week ahead of time to help you stay on track and organized!*
