Parent/Guardian Gender Inclusive Housing Consent Form

(Submit one per student under 18)

At Millersville University, we hold that an inclusive community is a core value that is an essential part of the foundation for our community. The Housing and Residential Programs Office is committed to designing and maintaining a supportive community environment that enhances the academic, personal and social development of our residential students. In addition, the Housing and Residential Programs Office pledges to foster inclusive communities that promote individual respect, civility, equality, and encourage responsibility to one's community.

Students under the age of 18 must receive consent from a parent/guardian before being approved to live in Gender Inclusive Housing, but we encourage all students to maintain an open dialogue with their families. **Please complete and notarize this form and deliver, mail, email or fax it to the office of Housing and Residential Programs.**
