Future Plans of 2011-2012 Millersville Graduates

The information for Millersville University’s bachelor’s degree recipients was collected in fall of 2011 and spring of 2012 by Planning, Assessment and Analysis, which administered an online survey to all seniors planning to graduate fall 2011 and spring 2012. Participating students were eligible to receive randomly selected gift card, if they completed the survey by their respective commencement. In total, 46.4% (635) of Millersville’s 2011-12 graduating class completed the survey. The survey will be repeated each semester and results published annually in the VSA College Portrait.
