

Academic Affairs Units for the All University Council

Please look for your department or unit in the list below. If your department or unit is listed by itself, please select the staff or faculty member from your department to serve on the AUC. If your department or unit is combined with other department(s) or unit(s), please collaborate with those other departments or units and select one staff or faculty member that will represent all units listed together. For example, in the list below, the History and Philosophy departments are combined. The two departments should collaborate to find **one** employee to represent the two departments.
