CAMPAIGN FOR STUDENTS

REPORT *of* GIFTS

To our friends and family,
As we celebrate the success of Millersville University's "Imagine the Possible" campaign and reflect on the past six years, I am incredibly grateful to the many generous donors whose commitment to making a transformative impact in the

lives of students. This phenomenal result is the largest fundraising campaign in Millersville University history.

Experiencing this momentous achievement provides a valuable opportunity to recognize the magnitude of life-changing benefits extended to Millersville University students through your overwhelming campaign support. The "Imagine the Possible" campaign was the first campaign in Millersville University's history entirely focused on students, and it included spectacular milestone accomplishments, numerous transformational gifts and outstanding stories of student success. Because of you, this remarkable campaign journey has generated amazing results, as demonstrated through the thousands of students who are exceeding the imagination.

This report highlights the culmination of the "Imagine the Possible" campaign, illustrating the positive outcomes of the collective generosity that has enabled the campaign to surpass its overall fundraising goal.

In recognition of the outpouring of support from the Millersville University community, I am thankful to everyone who contributed to the "Imagine the Possible" campaign over the years with gifts of all sizes, for nurturing student excellence far into the future.

It is a pleasure for me to share the "Imagine the Possible" Campaign Report of Gifts, and I hope you enjoy this collection of impressive highlights with appreciation for your participation in making this exceptional student success possible.

With deepest gratitude and warmest regards,

Daniel A. Wubah

Dr. Daniel A. Wubah
President, Millersville University

Dear friends,
The Millersville University Foundation's goal is to be Millersville University's most diverse, engaged, dynamic philanthropic partner. We have been able to meet this goal thanks to your generosity in establishing and contributing

to endowments to ensure the long-term success of Millersville students. Thank you again for your generosity.

If you have not been on campus in a while, you would be amazed at all the changes that have made Millersville an even more attractive institution for our students and faculty. As a native of central Pennsylvania and as one who has multiple connections with this great university, I am very proud of its growth and how it continues to strive for excellence.

I believe that your Foundation Board continues to be good stewards of the funds that you so generously give to benefit Millersville.

The members of the Foundation Board come from all walks of life and give an enormous amount of their time to provide direction and to help manage the funds with which your Foundation is entrusted. It is my distinct pleasure to work with these highly talented individuals, who continuously demonstrate their love for Millersville.

We also have the support of the most professional and responsive staff any university could hope for, and I hope you will join me in thanking them for their wise counsel throughout the "Imagine the Possible" campaign and into the future.

It is our hope that this report of gifts will inspire your continued support that enables Millersville University students to exceed their imaginations and become the leaders of tomorrow.

Thank you, on behalf of the Foundation, for all that you do for Millersville.

With warm regards,

Joseph W. Garner '90

IMAGINE THE POSSIBLE EXCEEDING THE IMAGINATION

Thank you for achieving historic success for our students.

As the first fundraising campaign in Millersville University history focused entirely on students, the “Imagine the Possible” campaign has also become the largest fundraising campaign in the history of Millersville University, thanks to the tremendous generosity of many gracious donors.

Celebrating this amazing accomplishment provides a valuable opportunity to reflect on the transformative benefits of campaign fundraising support for thousands of Millersville University students who are fulfilling their dreams of success.

The “Imagine the Possible” campaign was launched in 2017 with a three-year fundraising goal to raise \$32 million in private support, with an emphasis on three campaign priority areas of **Scholarships, Student Learning Experiences** and **Marauder Athletics**. In the spring of 2020, as the uncertainty of the pandemic affected Millersville University and the world, the campaign was extended, with a new overall fundraising

goal to raise \$90 million by 2023, and to include an additional campaign priority area of **Campus Revitalization**.

Through the outstanding commitment to benefit students from the entire Millersville University community, the remarkable “Imagine the Possible” campaign surpassed its overall fundraising goal of \$90 million in March of 2022 and continued to make incredible progress, transcending expectations to reach more than \$100 million in January of 2023, while experiencing phenomenal growth with historic campaign milestones.

Because of the generous contributions from the Millersville University community, the “Imagine the Possible” campaign has made a meaningful difference in the lives of students and will make a legendary impact for future generations of students.

***Thank you for the truly extraordinary support
for student success!***
