POSITIVE IMPACT OF SCHOLARSHIPS:

"As with my education, scholarships have helped me to be able to concentrate on my sport, as well. Basketball has always been a huge part of my life, and it is something that I take pride in. I have met so many wonderful donors through my athletic career. Their generosity to donate to student-athletes is unmatched."

MARAUDER ATHLETICS TEAM EXPERIENCE:

"The camaraderie that student-athletes have at Millersville is one of a kind. We all know the pain, sweat and happiness that each team goes through. We are able to lean on one another and share our successes and our failures. We go through this whole process of being a college athlete together, and the friendships made are amazing. I wouldn't trade my experiences as a student-athlete for anything."
