TEAM EXPERIENCE:**
"I love being around people with a strong work ethic and similar interests as me. Being on a team is something I will never take for granted. I know that my team will always have my back through everything. Our teamwork environment promotes an atmosphere that fosters loyalty, friendship and leadership."

**GREATEST ATHLETIC
ACCOMPLISHMENT:**
"As a student-athlete, one of my greatest accomplishments at Millersville was receiving PSAC Freshman of the Year. This was one of the coolest things I could have experienced as a freshman, especially because I was only the second player in program history to receive the honor."
