IMPORTANCE OF SCHOLARSHIPS:
"I wouldn't be at Millersville if it wasn't for the scholarships I have received. Not having to worry about debt or getting a job to help pay for the costs of college has lifted a huge burden from me and my family and allows me to focus on the classroom."

**MARAUDER ATHLETICS
TEAM EXPERIENCE:**
"I love being a part of a team and competing for something that is greater than myself. Playing for my teammates and giving it my all on the court every game day gives me a sense of satisfaction. Overcoming adversity as a group and coming out on top is one of the greatest feelings."

"The Millersville Men's Basketball coaching staff is phenomenal, and I cannot thank them enough for all they have done for me and the program. Coach Stitzel and Coach Conway have been here for my whole time at Millersville and have helped me grow as a basketball player and person. They have believed in me from the beginning, and a lot of my success can be attributed to them."
