MARAUDER ATHLETICS TEAM EXPERIENCE:

"What I enjoy most about being part of a team of student-athletes at Millersville University is how dedicated everyone is to their sport and each other. The commitment we have to our teammates, the program and our academics is truly incredible. We take pride in representing Millersville University on the field and look to support each other in the classroom."

GREATEST ATHLETIC ACCOMPLISHMENT:

"So far, my greatest athletic accomplishment at Millersville University has been getting the chance to play in the NCAA Tournament in 2019 as well as the PSAC Championship in 2021. Getting the chance to compete and play for a championship with my team is something I am most proud of."
